

60 篇英语短文搞定雅思 7000 词

1、A Journey across Canada

穿越加拿大之旅

After a **quiz** (考试) last autumn, Kuang crossed the **continent** (大陆) **eastward** (向东) to Toronto to visit his **schoolmate** (同学), the **distance measuring** (距离测量) **approximately** (大约) 5,000 kilometers,

His train started from Vancouver, a city **surrounded** (围绕) by mountains. After **confirming** (确信) his **baggage** (行李) was **aboard** (在...上) the train, Kuang **settled down** (安定下来) in his seat. **Having a gift for** (对..有天赋) communication, he started **chatting** (聊天) with another passenger **within** (在..之内) 5 minutes. Their **topics** (话题) included the **Canadian traditions** (加拿大传统), the **Prime Minister** (总理), the **mixture** (混合) of races, and the **terrifying** (让人心惊胆战) Great Falls. After a nice **buffet** (自助餐) at noon, he was **pleased** (很高兴) to find that the **scenery** (风景) was **impressive** (印象深刻). He saw beautiful **harbours** (海港) **in the distance** (远处), **wealthy urban** (富裕的市区) areas and **maple** (枫林) forest that covered thousands of **acres** (英亩). He even **managed to catch sight of** (设法看见) an **eagle** (鹰) flying **upward** (向上) over **bushes**

Kuang reached Toronto which lies slightly (黎明) near the border (边界) at a misty dawn (雾蒙蒙的黎明). There was frost (霜) and the broad downtown (宽阔的市中心) streets were very quiet. Though it was early, Kuang phoned his schoolmate in a booth nearby (附近的电话亭) at once rather than (不愿) waiting for him to come. They had a **good time together**.

翻译:

去年秋天的一次考试后，光 向东横穿整个大陆，来到多伦多探望他的同学，这次旅行的距离测量起来大约有五千多公里。

他的火车从群山围绕的温哥华启程。在证实了自己的行李都在火车上之后，光就在座位上安坐下来。因为在与人交流方面有天赋，他在 5 分钟内就和另一个乘客聊起天来。他们的话题包括加拿大的传统、加拿大的总理、种族的混合，还有让人心惊胆战的大瀑布。中午吃了一顿美味的自助餐后，他很高兴发现外面的风景非常让人印象深刻。他看见了远处美丽的海港、富裕的市区，还有延绵几千亩的枫树林，他甚至还设法看见了一只在灌木丛上空翱翔的鹰。

光在一个薄雾笼罩的黎明到达稍稍接近边境的多伦多，地上有霜，宽阔的市区街道很安静。尽管还很早，光却不愿等待，立刻就在附近电

10.An Interesting Festival (有趣的节日)

The Agricultural Feast (农业盛会) takes place (举行) after the Independence (独立) Day. It is not a worldwide celebration. (全球庆典)
Only Christians (基督徒) in Mexico (墨西哥) look forward to (期待) its arrival (到来) for its religious origin (宗教起源)

Long ago, humans' ancestors (祖先) were bad. They fooled (欺骗) and played tricks on (耍花招) each other and never kept (遵守) their word. (诺言) So God turned up (出现) and drowned (淹死) all their crops. Humans starved (挨饿) day and night, (日夜) weeping (哭泣). In order to gain (获得) God' s forgiveness (原谅), a woman poet set off (诗人出发) to see God. She admired (赞美) God and kept apologizing (道歉). God was moved. With his permission (允许), humans finally had good harvests (丰收) again. So, to wipe sadness (抹去忧伤) and remind (提醒) themselves of (对) the belief (信仰) in God, people began the festival.

On the festival, people gather (聚集) in open air, such as playgrounds or parking lots (停车场), and energetically (精力充沛) have fun with (玩的开心) each other all night long (通宵达旦), as though (似乎) they were never tired. When a beauty dressed up in lovely clothing (盛装打扮) reads

poems in memory of (纪念) the poet, everyone holds their breath (他们屏住呼吸) . Then, it is the custom (风俗) that the bone (骨头) of a rooster (公鸡) head is given to her as an award (奖励) .

Obviously (很显然) , the story is not true, but the festival is interesting.

翻译:

农业盛会在独立日后举行。它不是一个世界性的庆典，由于它的宗教起源，只有墨西哥的基督徒才盼着节日的到来：

很久以前，人类的祖先很坏，他们互相欺骗，耍诡计，从不遵守诺言。于是，上帝出现了，淹死了他们所有的作物。人们日夜挨饿，哭泣着。为了获得上帝的原谅，一位女诗人出发去见上帝。她对上帝的赞美和怀有的歉意感动了上帝，有了他的允许，人类终于又获得了丰收。因此，为了抹去忧伤并提醒自己对上帝的信仰，人们开始举办这个节日。

在节日那天，人们聚集在露天场所，例如操场或停车场，通宵达旦地玩得非常开心，精力充沛的人们似乎不知疲倦。当一位用可爱的衣服

15.Balanced Diet (均衡饮食)

Wang Peng earned his living (谋生) by running a barbecue (烧烤) restaurant, which served delicious bacon (腊肉), fried (油炸) chicken breast (胸) and mutton (羊肉) roast (烤制) ed with pepper (辣椒) and garlic (大蒜). But his food and discount (打折) attracted fewer and fewer customers (顾客). Finally, he was in debt (负债累累). Yong Hui's slimming (减肥) restaurant served fresh peas (豌豆), carrots (胡萝卜), eggplants (茄子), and raw cucumbers (生黄瓜) with vinegar (用醋). As the hostess (女主人), she said fibres (纤维) benefited (有利于) customers' digestion (消化) the most. In order not to let Yong Hui get away with telling

Lies (说谎不受惩罚), Wang Peng spied on (探查) Yong Hui despite her glare (怒目). But he was surprised that she was losing her customers, too.

Curiosity (好奇心) drove Wang Peng to consult (咨询) an expert. The expert sighed (叹息) and said, "Both of your menus have weakness (缺点) and limited strength (优点有限). Your customers put on weight (发胖) too easily, while Yong Hui's lose weight (减肥) too quickly. So, Wang Peng, cut down (减少) the fat of your food and increase vegetables and

fruits, like nuts (坚果) , beans (豆类) , mushrooms (蘑菇) , peaches (桃子) and lemons (柠檬) . You ought to combine (应该结合) the two menus and provide a balanced diet (平衡膳食) ."

Before long (不久) , Wang Peng won his customers back.

翻译:

王鹏经营一家烧烤餐厅来谋生，他的餐厅供应美味的腊肉、油炸的鸡胸，还有用辣椒和大蒜一起烤制的羊肉。但是，他的食物和折扣吸引的顾客越来越少，最后是他负债累累。永慧的减肥餐厅供应的是新鲜的豌豆、红萝卜、茄子和醋腌的生黄瓜。作为老板娘（女主人），她总是说食物纤维才最有利于顾客的消化。为了不让永慧说了谎不受惩罚，王鹏不顾她的怒视，前去探查个究竟。但是让他惊奇的是，永慧的顾客也在严重地流失。

好奇心驱使王鹏去咨询专家。那位专家叹息着说：“你们俩的菜单都缺点明显、优点有限。你的顾客很容易就发胖，而永慧的顾客体重却减轻得太快。所以嘛，王鹏，你要减少你的食物中的脂肪含量，增加蔬菜和水果，例如坚果、豆类、蘑菇、桃子和柠檬之类。你应该把两份菜单结合起来，给顾客提供平衡的膳食。”

不久，王鹏就赢回了他的顾客。

19. A Misunderstanding (一场误会)

In general (通常来说), spoken statements (口头表达) are the major (主要) way of communication, but body language and facial (面部) expressions also have such kinds of function (功能). For example, yawning (打哈欠) means being not interested and turning one's back to (背对别人) someone or swinging your fist (拳头) shows your anger (愤怒). But what those gestures really mean is subjective (主观) in different cultures. Thus, misunderstandings (误会) happen now and then in today's world of cultural crossroads. (交叉)

Once, representing (代表) the Adults' (成人) Education Association (协会), I went to the airport to meet an official of high rank (级) from Columbia (哥伦比亚) and take him to his dormitory (宿舍) and then to the canteen (餐厅). After the flight (航班) arrived, I saw a man looking around curiously (好奇地). So I approached to (走上前去) greet (打招呼) him. He suddenly dashed (猛然) to hug (抱我) me and kissed me on both cheeks (脸颊). As a young girl, I felt truly (真) embarrassed and put up my hands to defend (保护) myself. His false (假) smile told me that he had lost face (丢脸).

Later, I received a **cassette** (磁带) from him, in which he recorded his apology. On hearing that Columbians **were** more **likely to** (倾向于) kiss others, I soon felt **at ease** (轻松安心) .

翻译:

通常说来，口头表达是人们交流的主要方法，但是肢体语言和面部表情也有这种功能。例如，打哈欠意味着不感兴趣，背对别人或向其挥舞拳头表达的是愤怒。但是在不同的文化中那些手势表达的真正意思是很主观的。由此，误会就时不时地发生在今天这个文化交叉碰撞的世界里。

有一回，我代表成人教育协会到机场去接一位从哥伦比亚来的高级官员，我得带他到宿舍和食堂。当他的航班到达时，我看见一名男子好奇地东张西望，于是走上前去和他打招呼。他突然猛冲过来拥抱我，还亲了我的脸颊。还是个年轻姑娘的我感到真尴尬，不由自主举起手来保护自己。他的假笑告诉我他感到丢了面子。

后来，我收到他送来的一盒磁带，里面录了他的道歉。当听到这只是因为哥伦比亚人更倾向于见面时互相亲吻时，我很快就感到轻松安心了。

20.A Unique Theme Park

独一无二的主题公园

As soon as our shuttle got close to the theme park by the freeway, everyone came to life and put on cloth sneakers in advance for an outing. Our translator paid for the admission, and we started enjoying the various attractions in the sunlight.

According to the travel brochure, this unique park is famous for its well preserved minority culture. We experienced many deeds of the early settlers, such as swinging across rivers, hunting creatures in the jungle, or taking part in swords fighting tournaments.

This park is also famous for its wooden souvenirs. Whichever we bought in the central shop was made of wood, and wherever we went we could see minority carpenters working. They made wooden tools, wooden

cartoon figures, wooden athletic products and so on. They even built a huge wooden engine with a length of 20 metres, which was modeled after a real one.

This theme park is really a fantasy amusement park. No wonder it has become the brand of local tourism.

我们走高速公路的来往穿梭巴士—接近主题公园，大家都活跃了起来，并且提前穿上了布鞋，做好这趟外出旅游的准备。翻译付了入场费后，我们就开始在阳光下欣赏各种各样吸引人的东西。

根据旅行手册的介绍，这个独一无二的公园因其得到良好保护的少数民族文化而闻名。我们体验了许多早期定居者所做的事，如荡过河啦，在丛林中猎杀动物啦，或者参加剑术比赛啦等等。

这个公园还因为它的木制纪念品而闻名，我们在中心商场购买的任何一件物品，都是用木头制作的，无论我们走到哪里，都可以看见少数民族的木匠们在忙碌。他们制作的有木制工具、木制的卡通人物、木制的运动用的产品，等等等等。他们甚至还根据一台真实发动机仿造了一台长度有 20 米的木制发动机。

这个主题公园真是充满幻想的娱乐公园，怪不得它成为当地旅游业的一个

品牌。

21.A Strange Disease 奇怪的疾病

When the **construction** of the **firework** factory came to the stage of painting, a **pump** was put in. Then, all the **painters** in the **neighbourhood** were **defeated** by a **severe** disease whose **characteristic** was **alike** to that of a bad burn.

An **expert physician** was **instructed** to **attend** to the **victims** and **handle** this case. He was **enthusiastic**, but he didn't **foresee** that it was a hard **challenge**. After simple **enquiry**, he **announced** that the **polluted** paint was to **blame**. But without **positive** evidence, people **suspected** and **rejected** his view, saying the theory he **put forward** **made no sense**. Being much more **strict with** himself, he **contributed** himself to the case. **Apart from** making enquiries, he made detailed **charts** and **analysed** the data **cautiously**. Finally, he **drew a scientific conclusion**, **linking** the disease to the **radium** in the pump. **Exposed to** radium, a kind of radioactive material in the **universe**, people **absorbed** radiation and got sick immediately.

Spinning the pump **backward**, he took away the radium. This simple

movement cured all the victims.

当那座烟花工厂的建设到了油漆阶段时，一个水泵被安装进来，接着，在它附近的油漆

工都得了一种严重的疾病（疾病击败油漆工），其特征与烧伤相似。

一位经验丰富的内科医生被指定去照顾受害者并负责处理这一案例。他热情地投入到工作中，但是却没有预见到这是一次艰难的挑战。在简单的询问后，他就宣布说罪魁祸首是受污染的油漆（油漆应受责备）。但是没有确实的证据，人们很怀疑并拒绝他的观点，大家都说他提出的理论毫无道理。他对自己要求更加严格，全身心地投入。除了询问，他还制作了详细的图表，谨慎地分析各项数据，最后，他终于得出了一个科学的结论，把疾病和水泵中的镭联系起来。镭是宇宙中的一种放射性物质，当暴露在镭的辐射中时，人体吸收其射线，立刻染上疾病。

他把水泵向后旋转，拿走了里面的镭，这个简单的动作治愈了所有的受害者。

22.Sightseeing in the United Kingdom 观光联合王国

After the wedding, my cousin and his wife went to the United Kingdom for nationwide sightseeing. He faxed a letter to me in English

yesterday. To my **delight**, he no longer made any **tense error**. And his **description** **roughly clarified** my questions about the UK--its **currency**, its **administration**, the **institution** which **divides** it **into** four **provinces**, and the historical **conflicts** and **quarrels** when Southern Ireland **broke away from** the UK.

Unwilling to **leave out** any attraction, my cousin **arranged** his **enjoyable** journey carefully. One **attractive** place he visited was a castle in the **countryside** of Scotland, which lies near a **port**. It used to be the headquarters (请注意：音频里面是 headquarter, 没有加 s, 是不对的。) of the **Communism Union** but **broke down** during the war. Finding nothing could **take the place of** this **splendid architecture**, people **accomplished** rebuilding it in 1952. It was **to their credit** that all **furnished** rooms are **consistent** with what they used to be. My cousin was **thrilled** by its **collections** consisting of **statues** **plus** **royal uniforms** **folded** in glass tanks. Though there was no **possibility** to buy some of these exhibits, it was **convenient** to take photos, which he sent me along with his fax.

我的表弟和他妻子在举办了**婚礼**后到**联合王国**做**全国旅游观光**去了。他昨天**传真**了一封英文信给我，让我**高兴**的是，他再也不犯**时态错误**了，而且他的**描述**

也**粗略地**向我**阐明**了关于英国的一些问题——它的**货币**啦，**行政管理**啦，**把它分成四个行政区的制度**啦，还有在南爱尔兰**脱离**联合王国时发生的一些历史上的**冲突和争拗**。

因为**不愿意漏掉**任何一个景点，我表弟仔细地**安排**了他**愉快的**旅程。他参观的其中一个**吸引人的**地方是苏格兰**乡村**的一个城堡。城堡靠近一座**港口**，曾经是**共产主义联盟会**的总部，但是在战争中**倒塌**了。人们发现没有任何东西可以**取代**这座**辉煌的建筑**，于是在 1952 年**完成**了重建。**值得赞扬**的是，所有**配备家具**的房间都和它们过去**一致的**。由**雕像加折叠**在玻璃柜里的**皇家制服**组成的**收藏品**使我表弟**震撼**不已。尽管没有**可能**购买这些展览品，拍照却很**方便**，他在传真中一起发给了我。

23.An Air Crash 飞机失事

I was a **previous typist** in a post office. Because I couldn't **tolerate** typing any more **postage** bills or **postcodes** on a **typewriter** every day, I resigned. With a **greedy motivation** of making big money, I **took up** working as a business **representative** for the G.E **Ecology** Company, which produced **goods** by **recycling** useful **materials** from our **dustbins**. My new job left me good **impressions** in many **aspects** except that the working

timetable was full of traveling by jets.

Once, when speeding up, our jet was swallowed by a thunderstorm, which destroyed our GPS receiver and made us lose sight of the directions. A constantly flashing light showed that our jet was in danger. A steward instantly asked us to put on masks and fasten the safety belts, and then pressed a button to switch on the escaping capsule. It slid sideways out of the opening at once and landed in a desert area safely. Lacking food and tablets, we were nervous and uncertain at first. But we all kept optimistic and made good adjustment to the situation. We swept up the surrounding mud to make our settlement and were back on our feet soon. Finally, guided by the smoke of our crashing jet, some local citizens came by carriages and saved us.

我以前是一家邮局的打字员，因为忍受够了每天在打字机上打邮资账单或邮政编码，我辞了职。带着想挣大钱的贪婪动机，我开始给一家叫 G.E 生态公司的企业当商务代表，这家公司通过回收我们垃圾箱里的有用材料生产商品。我的新工作在多方面都给了我很好的印象，除了一点：乘飞机旅行挤满了我的工作时间表。

有一次，我们的喷气飞机在**加速**时被一场雷暴**吞没**，不仅损坏了 GPS 信号**接收器**，还使我们**看不见**方向。一盏**持续闪亮**的灯说明我们的飞机正处在危险中。一名**乘务员立刻**让我们戴上**面罩**、**系牢安全带**，接着**按下**一枚**按钮** **打开**逃生**仓电源**，逃生仓马上**侧着滑出出口**，安全降落在一片**荒凉的**地区。因为**缺少**食品和**药品**，我们一开始都又紧张又**心里没底**，但是我们都保持**乐观**，做好**调整**适应这一新境况。我们**打扫**干净**周围的泥土**，**安顿**下来，很快就**恢复**过来。最后，在我们坠机烟雾的**指引**下，一些当地的**居民**搭乘**马车**到来，我们都获救了。

24.An Amateur Journalist 业余记者

Jane is a **housewife**, but **delighted** to work as an **amateur journalist**. It is a **dilemma** for her to rush between family and work, and it is also **unusual** for the News **Department** to **depend on** an amateur to cover **crimes**. But Jane is really **gifted**. It is **admirable** that she is seldom **accused of** making mistakes. And, **eager** to become more **professional**, she **concentrates on** her job and **updates** herself now and then.

Once she is **informed** of a new **case**, her normal working **process** is as follows: first, she makes **appointments** with **guilty** people for interviews. **So as to** **acquire** **accurate** stories, she usually **demand**s to record what

they say. **Meanwhile**, a **technically** good **colleague** will **assist** her in taking **photographs**. Second, she **assesses** whether they are **deliberately** hiding the truth. If she is **skeptical** about their words, she will look into the case herself. Third, she writes **thorough** stories ahead of the **deadline** and **submits** it to the **senior chief editor**, who **polishes** and **approves** every **section**. Finally, her stories will be **published** in different **editions** of their magazine.

简是一名**家庭主妇**，但却非常**乐意**做一名**业余记者**。在家和工作之间奔波总是使她**左右为难**，而且对于新闻**部**来说，**依靠**一名业余人员来报道**罪案**也是**不同寻常的**，但是简真的很**有天赋**，**让人钦佩的**是她极少**因为犯错而受到责备**。因为**渴望**做得更加**专业**，她**全神贯注于**工作，且时不时地就**提升**自身的业务水平。

一旦接到新**案子的通知**，她通常的工作**程序**如下：首先，她和**有罪的人**约了作采访。**为了获得准确的**新闻，她通常**要求**做录音，**同时**，一位**技术上**好的**同事**会**协助**她**拍照**；接着，她对受采访的人是否有**故意**隐瞒真相作出**评估**。如果她**怀疑**他们的话，就会亲自调查案件；然后，她在截稿**期限**前写出**详尽的**报道，**呈交**给**高级主编**，由他对每个**部分**做**润色**和**批准**；最后，她的新闻就**发表**在杂志的各个**版本**中了。

25.First Aid

急救

A boy fell ill. His organs were damaged by the radiation of an infrared ray stove. But before the ambulance arrived, a number of other injuries happened to this unlucky boy over and over again. First, he was choked by some poisonous liquid from the kettle on the cupboard. Then his wrist skin was burnt by electric shock. Finally, his ankle was cut by a pan.

Fortunately, the boy's nurse gave him proper temporary treatments according to his complex symptoms. She mildly squeezed the poisonous liquid out of his throat and put bandages firmly in place to apply pressure to the ankle wound to stop bleeding. As for the burn, she used scissors to remove his sleeve, poured a basin of cold water over the burn to cool it and put her hands on a damp blouse to cover his swollen tissue tightly. She also inspired his bravery to fight against the unbearable pain. Her first aid made a vital difference in saving his life. A ceremony was held to honour the nurse who overcame a variety of

barriers to save the boy.

有个孩子病倒了，他的体内器官被一台红外线烤炉的放射线灼伤了。但是在救护车到来前，这个不幸的孩子身上还一而再、再而三地发生了许多别的伤害。开始是被橱柜上水壶里的有毒液体噎住，然后是手腕的皮肤被电击烧伤，最后，一只平底锅还割伤了他的脚踝。

幸运的是，男孩的保姆根据他的复杂症状给予了适当的临时治疗。她轻轻地从他喉咙里把有毒液体挤了出来；并在脚踝合适的位置紧紧扎上绷带，施加压力使伤口的流血止住；对于烧伤，她用剪刀剪去他的袖子，倒了一盆凉水给烧伤位置降温，并找来一件湿的女式衬衫紧紧盖住他肿胀的皮肤组织。此外，她还激发起他的勇敢和难以忍受的疼痛做斗争。她的急救在挽救他生命中起了至关重要的作用。人们举办了一场典礼来表彰这位克服各种障碍挽救了男孩的小保姆。

26.Abstract Art

抽象艺术

Abstract art used to be controversial. On one hand, the artists stopped painting delicate figures but attempted to adopt special techniques to give people different visual impacts. On the other hand,

their works, including **sculptures** **carved** out of **marble** or **fragile clay**, were all with a **specific aim** of showing feelings. Some **conventional scholars** who were **allergic to** abstract art said it was **evidently ridiculous** and neither art nor **geometry**. Their Traditional Art **Committee** **predicted** its soon disappearing.

But nowadays, abstract art has become part of the **permanent possessions** of **contemporary civilization**. **Galleries** along the Madison **Avenue** give scores of **superb exhibitions** on **typical** abstract works, **appealing to** many who have a **preference** for abstract art. The **Shadow** of **Egypt**, a **café** in this **district**, has become the home to those **aggressive** abstract artists. **Consequently**, it is not a **coincidence** for you to meet one of these artists of great **reputation in the flesh**. They are asked for **signatures** and given **bunches** of **fragrant** flowers plus they are given **a great deal** of praise by their **faithful** fans.

抽象艺术曾经颇**受争议**，一方面，抽象艺术家们不再画**精致的画像**，而是**试图**采用特别的**技巧**给人们以不同的**视觉**冲击；**另一方面**，他们的作品，包括用**大理石**和**易碎的粘土雕刻**出来的**雕像**，都以表达感情为其**明确的目的**。有些**对抽象艺术反感的传统学者**说抽象艺术是极其**明显地荒谬可笑**，说它既不是艺术，又不

是几何学，他们的传统艺术委员会还预言了它的迅速消失。

但是到了今天，抽象艺术已经成为当代文明永久财产的一部分，麦蒂逊大道的画廊为典型的抽象艺术作品举办了许多出色的展览，吸引了许多对抽象艺术有偏爱的人。这区有家叫埃及之影的咖啡馆已经成为那些有进取精神的抽象艺术家们活动的根据地，所以，亲眼见到一位名声极大的艺术家本人并不是什么巧合的事，他们被忠实的崇拜者索取签名，并被给予成束的芬芳花朵和大量的赞扬。

27.A Russian Poem 俄国童谣

Since childhood, Anton had often recited poems, accompanied by pianists and violinists, at wedding ceremonies before brides and bridegrooms exchanged rings. Gradually, he found writing poems the most appropriate way to convey his joy and sorrow. When his poem Contradictory Blank won him a national championship and a scholarship to the Moscow University from a sponsor, he was just an unknown librarian. After getting his diploma, he devoted his life to writing poems. Using concrete but flexible language and the minimum of words is his style. He tried out different patterns and preferred nursery rhyme in particular. The following is a translation of one of his works

made up of 3 sections:

Little sparrow with heavy load, Ran out of energy and very cold; No compass and all sweat salty, Can you go through the endless darkness? Little balloon let out by the thread, Flew over cottages and was very glad; With warmth transformed from sunlight, He said he could forever fly; Take it easy, little balloon; Don't tease the sparrow with his wound; On the bare branch and have a rest; This diamond heart will eventually get success.

从童年时起，安东就常常在钢琴师或小提琴师的伴奏下在婚礼上朗诵诗歌，为新郎新娘交换戒指前的仪式助兴。渐渐地，他发现写诗是表达他的欢乐和悲伤的最合适方式。在他还是个寂寞无闻的图书管理员时，他的诗《矛盾的空白》就获得了全国诗歌创作冠军，并为他赢得一位赞助人提供的奖学金，到莫斯科大学深造。获得文凭后，他将一生都投入到诗歌创作中。使用具体而灵活的语言和最少的词语数量是他的风格，他还喜欢尝试不同的诗歌形式，特别是童谣。下面由三部分组成的译文就是他的作品中的一首：

小麻雀，负重担，

小气球，脱绳系，

别紧张，小气球

筋疲力尽挡风寒，

飞越农舍真高兴，

别笑麻雀伤口留，

汗水成盐无指引,

阳光给予它温暖,

光光的树梢歇片刻,

能否穿越无边暗?

永远高飞不费力;

恒 (钻石)心终把成功求。

28.Let' s Help Adolescents

帮助青少年

Whether they are male or female, adolescents feel like deciding on everything themselves in spite of parents' instruction, especially when they face problems like sex, mental stress, etc., which make them feel ashamed and embarrassed. Thus they often automatically get into troubles due to their imperfect comprehension and judgement. Some are addicted to cigarettes, only several packets of which will hurt their lungs and make them breathless quickly. Others can' t quit drinking alcohol, whose harmful effects include causing young pregnant women to abort or give birth to abnormal babies. The worst is drug abuse, for the withdrawal is tough once their bodies are accustomed to the drugs. Meanwhile, those who share needles bought from illegal chemists are at great risk of being infected with desperate AIDS. If so, neither injecting nor taking pills can guarantee their survival.

However, don't be **disappointed** at or have **prejudice** against our children so easily. After all, being **awkward** is an **appendix** of youth. As long as we **strengthen** communication with them instead of only **banning** this or banning that, we will surely help them avoid anything **unfit**.

不论**男女**，**青少年**们都**喜欢不顾**家长的指导，自己对一切**作决定**，特别是当他们面对如**性**、**心理压力等等**一些使他们觉得**羞愧**和**尴尬的**问题时更是如此。因此，**由于**他们**理解力**和**判断力**的不足，他们常常会**无意识地陷入**困境中。有的**对香烟上瘾**，只要几**包**就会对他们的**肺**造成损害，使他们很容易就**气喘吁吁**；有的没法**戒除酒精**带来的不良**后果**，包括造成年轻的**怀孕**女性**流产**或生下**不正常的**婴儿；最糟糕的是**滥用**毒品，因为一旦他们的身体**对毒品习惯了**，要想**戒毒**就相当**困难**了。同时，那些共用从**非法药剂师**处购买的**注射器**的青少年冒着感染**令人绝望的**艾滋病的极大**风险**，一旦感染上，不管是**打针**还是吃**药**都没法保证他们的**生存**了。

然而，请不要轻易就对我们的孩子**失望**或抱有**偏见**，毕竟，**不成熟**是年轻的必然**附属品**。只要我们**加强**和他们的沟通，而不是仅仅**禁止**这样，不准那样，我们一定能帮助他们避开**不健康的**东西。

29.Refresh Our Environment 恢复环境生机

As the director stated on behalf of his researching group, the data of this graph makes a clear presentation of the future environmental tendency. On one hand, the quantity of fuel keeps on decreasing by 9% per year while the growth of a wide range of pollution has been a global trend. On the other hand, the mildly but steadily going up of the average temperature is resulting in catastrophes like widespread floods. Without disagreement, they subscribe to the view that it is humans' existence and their randomly consuming energy that result in this phenomenon.

Many people have a commitment that developing nuclear power or energy from outer space will stop bad consequences coming about. However, scientists and educators are opposed to this view even if our needs may be met on the whole. They tend to advocate refreshing our circumstances by saving energy and recycling waste. It is suggested that we use energy-saving appliances such as electrical motors, microwaves and so on and not be casual about little things like recycling a can. So please glance around and see what you can do. So long as everybody makes contribution, we will not have to put up with this problem anymore.

正如那位主任**代表**他的研究小组所**说明**的那样，这张**图表**的**数据**清楚地**描述**了未来**环境的趋势**：一方面，**燃料**的**数量**以**每年** 9%的速度**持续**减少，同时，大**范围污染**的**增长**已经成为一种全球**趋势**；另一反面，**平均**气温**轻微**却**稳定地**升高正在**造成**像**广泛的洪涝**那样的**灾难**。无**不同意**地，他们一致**赞成**是人类的**存在**和**任意的消耗**能源才造成了这一**现象**。

许多人都**信奉**开发**核能**和**外**太空能源会防止糟糕的**后果发生**的理论，然而，**即使**这样可以**基本上**满足我们的需要，科学家和**教育家**们仍然**反对**这一观点。他们更**倾向于拥护**用节省能源和回收废料的方法**恢复环境**生机，并建议我们要使用节省能源的**器具**，如**电力发动机**、**微波炉**等，还建议我们不要对如回收**罐子**这种小事**漫不经心**。因此，**看看**你身边是否有你能做的事，**只要**每个人都作出贡献，我们就不必再**忍受**这个问题的困扰了。

30.A Volcano Eruption 火山爆发

As the best **candidate**, I was **appointed** to collect and **evaluate** information for a **database** about **diverse** natural disasters, such as **hurricanes**, **typhoons** or **thunderstorms**. Sometimes I did this by giving out **questionnaires** to those who went through them. But sometimes I had to go through **actual** disasters myself. The Musaki **Volcano** was one of

them.

At that time, I lived in a bungalow alongside the volcano with a novelist, who came for the appreciation of its eruption. One day, when I was drawing diagrams on the balcony and he was bathing inside, the volcano erupted unexpectedly. The ash and lava fountains shooting highly in the sky varied from 50 to 100 meters in height. It was absolutely fantastic! I even noticed a rainbow appear in the fog caused by a heat wave.

But, glancing through our surroundings, I foresaw the potential danger and found no guarantee of our safety. The uncomfortable gas almost made us unconscious. Sweats of anxiety began to drop. Managing to stop panicking and trembling, we quickly put on our protective suits, helmets and boots and eventually made our way to a safe place. How lucky we were even though my precious equipment and documents were all burnt to the ground!

作为最好的候选人，我被委派为一个数据库收集和评估各种自然灾害的信息，例如飓风、台风或雷暴等。有时我通过向经历过这些灾害的人分发调查问卷来收

集信息，有时却得亲自经历**实际的**灾害。Musaki**火山**就是其中之一。

那时，我和一名来**欣赏火山爆发**的**小说家**同住**在火山边上**的一座**平房**里。有一天，当我正在**阳台**上画**图表**而他在屋里**洗澡**时，火山突然**爆发了**，**喷射**到天空中的**火山灰**和岩浆**喷泉从 50 米到 100 米不等**，这一情景**绝对地**奇异，我甚至还注意到一条**彩虹**出现在**热浪**造成的**雾**里。

然而，我向四周看了一下，马上预见到了**潜在的**危险，也发现了我们的安全毫无**保障**。**令人不舒服的**气体几乎使我们**失去知觉**，**忧虑的汗水**开始流淌下来。我们努力使自己不要**惊慌**和**颤抖**，迅速穿上保护**套装**、**头盔**和**靴子**，最后成功**前往**安全的地方。尽管我**珍贵的设备**和**文件**都**烧得精光**，但是我们真的非常幸运。

31.Defeat Disability 战胜残疾

Yang' s **ambition** was to get an **architect certificate** or become a **bowling** master. But when he was **conducting** experiments with a **microscope** in the **basement**, a **tank** on the **bench** exploded, sending him flying **outwards** through the **exit**. He was **out of breath** while knowing he lost his **eyesight as well as** 70% of his **hearing**. **In other words**, he was **disabled**. 阳的**雄心**是，要么获得一张**建筑师证书**，要么成为一名**保龄球**高手。但是在**地下室**里的**显微镜**下**进行**试验时，放在**长凳**上的一只**大桶**突然爆炸，把他

从出口处炸飞了出去。当知道自己除了失去 70%的听力之外，还失去了视力时，他完全喘不过气来。换句话说，他残疾了。

Feeling clumsy, he was annoyed at first though nobody made fun of him. He cut out going outdoors and just sat around at home talking to his parrot or tortoise silently. His sister resigned to help him in many ways. Her assistance and encouragement were so beneficial to his psychology that he adapted to his disability soon and became outgoing again. In a college accessible to him, he studied politics and literature. He always sat in the front row near the entry without any absence and, with the help of his handy laptop, he studied well by means of dictation. His thesis, Abolishing Slavery, met with all professors' approval. After class, he and his companions often played drum music, which was noisy but suitable for his hearing. After graduation, he made high profits by designing software for a firm. All in all, in his community, he won his dignity and people' s congratulations.

He always wished all the best to his disabled fellows and encouraged them, "Never mind! All you have is adequate to get your achievement."

最初，尽管没人**取笑**他，他还是非常**气恼**于自己的**笨拙**。他**取消**了外出，总是在家里**闲坐**，和他的**鹦鹉**和**乌龟**默默相对。他的姐姐**辞了职**，**用许多方式**帮助他。她的**帮助**和**鼓励**对他的**心理**是如此地**有益**，以致他很快就**适应**了自己的**残疾**，再次变得**外向**起来。他在一所**接受**他就读的学校里学习**政治**和**文学**，总是坐在靠近**入口**的**前排**，从不**缺席**。在他**轻便好用**的**手提电脑**的帮助下，他用**听写**的方式学习得很好。他的论文《**废除奴隶制**》**受到**所有教授的一致**认可**。课后，他和**伙伴们**还常常演奏**大声**却**适合**他听觉的**鼓乐**。**毕业后**，他通过设计**软件**为一家**公司**获得很高的**利润**。**总之**，在他的**社区**里，他赢得了自己的**尊严**和人们的**祝贺**。他一直都把**所有最好**祝愿给予他残疾的**同伴**，并鼓励他们：“**没关系**，你拥有的一切一定**足够**你取得自己的成就！”

32. Happy Marriage Needs Fighting For

幸福的婚姻需要争取

As a **talented** **navy** officer, he **was bound to** be busy. When his wife **rang** him **up** to **declare** her **divorce alarm**, he was still **scanning** a **digital counter** to check the data so as to give an **assessment** of the **theoretical framework** for a **biochemical** weapon. His **junior staff**'s **sympathy** made him feel embarrassed.

His wife was a **part-time clerk**. With his high **bonus**, she lived in a **grand** house with **elegant cushions** and **bedding**. Her **favour** was reading stars ' **biographies** or **absurd fictions** with endless **chapters** in her **armchair**. People **envied** her leisure life very much. But in fact, she was tired of being **left alone**. She sent emails to his **mailbox** every week to **state** her **thinking** and ask for his **accompaniment**, but never received reply of **satisfaction**. Tired of his explanation that he must **obey** the orders, she filed for divorce.

Because he **desired** to get their **holy affection** back, he set other **affairs** aside. He trimmed his **fingernails** short and changed his **overweight** figure as well as his **awful haircut**. He wore an **apron** to prepare delicious **cuisine** for her. He also bought her a **necklace** and **piles** of flowers hoping that their **receiver** could **turn around**.

After being **tested out** for 3 months **in all**, he eventually succeeded.

作为一名**才华出众的**海军军官，他**注定**是要忙碌的。当他的妻子**打来电话宣布**和他**离婚的警告**时，他还在**查看**一台**数码计数器**核对数据，以对一种**生物化学**武器的**理论框架**做出**评估**。他的**下级职员**表现出的**同情**使他很尴尬。

他的妻子是一位**非全日性**工作的**职员**，有了他的高**津贴**，她住在一所装饰有**优雅垫子**和**寝具**的**富丽堂皇的**屋子里。她的**爱好**是坐在**扶手椅**上读读明星们的**传记**或一些有没完没了**章节**的**荒谬小说**。别人都很**妒忌**她安逸的生活，但是实际上，她厌透了被**独自丢下**。她每周都给他的**邮箱**发电子邮件**陈述**她的**想法**，要求他的**陪伴**，但却从未收到**满意**答复。受够了他总是必须**服从**命令的解释，她提出了离婚。

因为**渴望**重新获得这份**神圣的爱**，他把别的**事务**都放在一边。他剪短了**指甲**，改变了**超重的**身材和**糟糕的发型**，还穿上**围裙**为她做可口的**菜肴**，他甚至还给她买了**项链**和成**堆**的鲜花，希望它们的**接受者**能够**回心转意**。

在被**考验**了**总共**3个月后，他最终成功了。

33. Mark and a Seal

马克和海豹

Mark rented an **accommodation** with his **pension** near the **shore**. He paid **annual** visits there to enjoy the **vivid** beauty in the **depths** of the **pure** sea.

Once, with his underwater **telescope** and **flashlight**, Mark **dived** along the **boundary** between the **steep** reef and the area of **seaweed conservation**. Suddenly, an **awesome Antarctic seal** with **sharp** teeth appeared **opposite** him. Every cell in his body **was scared to death**. But soon, he was **aware** that he wasn't the **target** of an attack. With a **neat** wound in its **lip** caused by a **shark**, this **grey** seal was washed **upside down** by the **tides** time after time. But it tried to **jog** Mark as if to **urge** him to help it. So Mark **abandoned** **fleeing** away. With its **teamwork**, Mark used a **net** to **drag** the seal to the **shallow** water. Without **pausing** he **helped it out** after a simple operation and settled it in a **narrow** cave by the **seaside**. Every time he brought it **tasty** fish, it would **yell** and **suck** his hands happily. **Witnesses** said their **anecdotes** **reflected** a magic **dimension** of the **relationship** between humans and animals.

马克用他的**退休金**在**海岸**边租了一间**住所**，**每年**都去那儿欣赏**纯净的**大海**深处**那**生动的**美丽。

有一次，马克带着他的水下**望远镜**和**手电筒**，**潜到陡峭的**暗礁和**海草保护区**间的**分界线**。突然，一只长着**尖利**牙齿、**使人畏惧的南极海豹**出现在他**对面**。马克**吓坏了**，但是很快，他就**意识到**，他不是攻击的**目标**。这只**灰色**海豹的**唇**上有

道鲨鱼咬出的整齐伤口，还时不时地被潮水冲得头上脚下。尽管如此，它却总是努力轻轻碰撞马克，似乎在催促他帮助它。于是马克放弃了逃跑。在这只海豹的合作下，马克用一张网把它拖到浅水区，并毫不停歇给它动了一个简单的手术，帮助它解决了问题，然后将它安置在海边一个狭窄的洞里。每次当马克给它带来鲜美可口的鱼时，它就会高兴地大声叫唤，还吮吸他的手。目击者都说他们的轶事映射出人与动物关系中奇妙的一个方面。

34.Helping the Remote Village 援助山村

A year ago, the famous astronaut received an invitation by airmail from a remote village. Intending to sniff some fresh air, he and his interpreter paid a fortnight visit there. It was a privilege for them to be there, but they were shocked by what they saw. The tracks were muddy. The river was drying up. Most villagers only possessed one broom, a few tins and several jars and their rectangular grass huts with round angles were surrounded by weeds. Besides, their school had no roof and platform, and the students had no concept of clicking a computer at all. They were badly in need.

Soon, the astronaut made a generous voluntary donation to the

village. There were **textbooks** for students, **sewing machines** for **tailors** and **tractors** for farmers. His **distribution catalogue** also included **operating** a **clinic** and a **trunk** library, as well as giving **weekly** lessons to teach **relevant** farming knowledge like how to **dry out seeds** or raise **oxen**. He himself not only helped do some **paperwork** but also **purchased grills** for boys to **toast** potatoes and **combs** for girls who **were dying to** get one. **The other day**, he heard from the villagers again inviting him to **participate in** the donation **anniversary**. For **political** and **security** reasons, he couldn't **adjust** his outgoing **arrangement-otherwise** he would go. But his deeds were remembered forever.

一年前，那位著名的**宇航员**收到一份由一个**偏远**村庄通过**航空邮件**寄来的邀请。因为想要**呼吸**一下新鲜空气，他和**翻译**到那儿做了一次**两周**的访问。当地之行使他们倍感**荣幸**，但却震惊于所见所闻。**泥泞的**道路、河流**干枯**，大部分的村民拥有的财产只不过是一只**扫帚**、几个瓶**瓶罐**罐而已，圆**角**的**矩形**草屋四周长满了**杂草**，学校也没有**屋顶**和**讲台**，学生们更对**点击**操作电脑毫无**概念**。他们生活确实相当**困难**。

很快，宇航员就向村庄做了慷慨的**自愿捐赠**。捐赠品中有给学生的**课本**，给**裁缝**的**缝纫机**，还有给农民的**拖拉机**。捐赠金的**分配目录**中还包括一间**诊所**和一

间书箱图书馆的运作，并有传授像怎么使种子干透，或者怎么养牛这种相关农业知识的每周课程。他自己不仅亲自帮助做一些文书工作，还给男孩子们购买了烤马铃薯的烤架、给渴望得到梳子的女孩子们买了梳子。前几天，他又收到了村民们邀请他参加捐赠周年会的来信。出于政治和安全原因，他无法调整外出时间安排，否则他就会去了。不过他所做的一切村民们永远记得。

35.Study in America 留学美国

Nannan' s father runs an enterprise near the Ming Tombs selling batteries and drills to the Daqing Oilfield. Hoping to get the qualification to help govern it, Nannan made much preparation and then left her motherland with her visa to study in America. Having reached her destination, she settled in an inn recommended by the travel agent.

As far as Nannan was concerned, she always kept it up in China. But she had to acknowledge it was not easy to adjust herself to the new academic requirements, which were not parallel with China' s. Though she was occupied with lectures and seminars day in and day out, the essays she drafted were still contradicted by her tutors. As for her routine life, she felt that it was hard to fit in, too. For example, she found

English **idioms** difficult to understand. And it was **out of the question** to eat delicious Chinese foods though many **optional cafeterias** served **abundant substitutes**. In addition, she had to wait in a **queue** early for the **minibus** that took her to school and it was usually so cold that she felt **numb**. What bothered her most was that she received no **apology** when her sleeping was disturbed by a **barking** dog in a **shopkeeper's cage**.

Luckily, with her parents **comforting** her by **videophone**, she became **autonomous** soon and eventually got her **bachelor's degree** successfully.

楠楠的父亲在明**陵**附近经营一家**企业**，销售**电池**和**钻机**到大庆**油田**。抱着获得相应**资格**帮助**管理**的希望，楠楠做了大量**准备**，然后带着**签证**离开**祖国**去美国留学。抵达**目的地**后，她在一间**旅行代理推荐**的**旅馆**安顿下来。

就楠楠而言，她在国内一直**保持着良好的状态**，但是在国外，她却不得不**承认**，要**适应新学院的要求**不容易，它们和国内的要求不**相同**。尽管她**整天都忙着**听**讲座**、参加**研讨会**努力学习，她**起草的论文**还是被**导师驳**了回来。至于**日常生活**，她也感觉难于**适应**，例如，她发觉英语**成语**很难理解，而且**不可能**吃到地道的中国食品，尽管**可选的**许多**餐馆**都有提供**丰富的替代品**。此外，她还得冒着把人冻得**麻木的**寒冷早起排**队**等**小型巴士**去学校。最使她烦恼的是，一名**店主笼子**

里的狗的吠叫闹得她睡不好觉，但却没有任何人向她道歉。

幸运的是，在她父母通过可视电话的安慰下，她很快就锻炼得自主独立起来，并最终成功获得了学士学位。

36.Immigrate to America 移民美国

Attracted by the boom in America, my nephew teamed up with a Korean to illegally cross the Bearing Strait in the Arctic to America. To avoid the Customs' punishment, they hid in a small ferry called the North Pole Seagull, sitting back to back without sleeping, showering and shaving for 3 days, and had no chance to mourn their lost luggage when landing. The hardship of this crossing was apparent.

At first, he made a living by means of raising cattle and then was hired in aircraft industries. He lived in a Catholic district. Taking in a small percentage of Pakistani immigrants, the majority of the residents were from Italy and Denmark, who all kept up their customs and cultures. Different blocks here were distinctly marked out and indicated from the racial angle. It was unfair and needed reforming. But with nowhere else to go, my nephew lived on and managed to make a life for himself.

My nephew's fortune came when he bravely helped a **conductor** **brake a ream** to stop it from **slipping** out of the **rails**. The man was **elected vice** chairman of the **Socialist** Party later. It **occurred** to my nephew that he could **grasp** this opportunity to ask for his help. The man who was **thankful** helped him **apply** to the **civil authority** for the right to live in America by **inserting** his brave deed into his documents. Unlike **a great many** other **applicants**, his application was approved by the **Federal Justice Ministry**. Before long, he started his own **bakery** and lived a better life.

因为受到美国**繁荣**的吸引，我的**侄子**与一名**韩国人合作**，从**北极**的白令**海峡**偷渡到美国。为了避开**海关**的**惩处**，他们躲在一艘叫“**北极海鸥**”的**渡轮**里，**背靠背**坐着，整整 3 天没有睡觉、洗澡和**刮胡子**，上岸的时候也没有机会**心痛**他们丢失的行李，这次**横渡**的**艰辛**是**显而易见的**。

起初，他**借助**饲养**牲畜**谋生，后来受**雇**于**飞机**制造业。他住的地方是一个**天主教**区，除了**包括**一小部分（**百分比**）的**巴基斯坦**移民，**大部分**的居民都来自于**意大利**和**丹麦**，他们都**保持**着自己的风俗和文化，使这里的街区都从**种族的角度****清楚地划出界线**，明确**标示**。这很不公平，极需**改革**，但我的侄子没别的地方可去，只好**继续居住下去**，想法设法**开始新的生活**。

我侄子的好运在他勇敢地帮助一名列车员刹停一列电车以防止其滑出轨道时到来了。那个人后来被选为社会党的副主席，我侄子就想到应该抓住机会请求他的帮助。这个人充满感激，立即把我侄子的勇敢事迹插入到申请文件中，帮助我侄子向美国国内政权当局申请美国居住权。不像别的许多申请人，我侄子的申请很快被联邦司法部批准了。不久，他就开了自己的面包店，过上了稍好一点的生活。

37.Be Careful about Cloning

谨慎对待克隆

After a series of initial experiments and corrections, the scientist's hard work paid off when the twin clone turkeys were hatched with normal feather and claws. This breakthrough possibly enabled people to bring their adored pets back to life. However, it bothered him from time to time that their health was in poor condition because they were unable to resist illnesses. This drawback cast him down. Merely 2 weeks later, the clones and their carrier died, which struck frustration into his heart. He retired before he attained his ambition and became a member of an opera chorus to relieve his depression.

Shortly afterwards, the **media** published a **conservative** argument **objecting to** cloning **owing to moral** problems, and suggested the **constitution** include **compulsory regulations** to **forbid obtaining commercial** profits from cloning.

When interviewed, the scientist stared at the **decorations** on the ceiling, thinking for a while, and then said, "I'm not **in favour of** any **arbitrary assumption**, but **undertaking** cloning does **differ from** the **straightforward procedure** of making **loafs** out of **flour**. Until we **accumulate** enough **exact** knowledge, any practice is **in vain** and is bound to fail. **Altogether**, being more careful is **reasonable** or we may walk into a **side road**."

在**最初**一系列的实验和**修正**之后，科学家的辛苦工作终于**取得了成功**，一对**双生的**克隆**火鸡孵化**出来，**羽毛**和**爪子**都很正常。这一**突破**或许能让人们使他们的**喜爱的**宠物死而复生。然而，使他**不时地烦恼**的是，因为它们**无法抵抗**疾病，使得它们的**健康状况极差**。这个**缺点让他很沮丧**。**仅仅**过了 2 个星期，克隆体和**母体**都死亡了，这使他**内心里充满了**挫折，他也因此在**达到**自己目标前就**退休**了，并选择加入**歌剧合唱团**来减轻消沉的感觉。

之后不久，媒体就因为道德问题而发表了反对克隆的保守论点，并且建议宪法应该包括强制性的法规禁止通过克隆获得商业利益。

当被采访时，科学家盯着天花板上的装饰物思考了一会儿，说：“我不赞成任何任意的假设，但是从事克隆与用面粉制作面包的简单过程确实不大相同。在我们积累了足够的准确知识前，任何实际操作都是徒劳无功的，注定会失败。总而言之，更加谨慎地对待克隆是合理的，否则我们或许会误入歧途。”

38.Strange Patent Applications 奇怪的专利申请

I set about working in the current Patent Office after resigning from the court personnel. Competent and dynamic, I never feel passive while diving into the identifications of whether applications are valid and practical according to the new version of the criteria. 从法院人事部辞职后，我开始在现在的专利局工作。我工作起来既称职又有活力，在投身于根据新版的申请标准鉴定专利申请，以防他们无效或不实用时，我从未感觉到消极没劲。

With the expectation of distinguish their own importance, some people leave the beaten track and file strange products with us now and then, for example, lantern that can be attached on your forehead, cubic walnuts, refrigerator made of straw and glue, perfume that nobody can

bear to smell, and so on. 为了显示与众不同, 时不时就有人违反常规, 向我们提交一些奇怪的产品申请, 例如固定在前额的信号灯、立方体的胡桃、用稻草和胶水制作的冰箱、没人能受得了的香水等

Once, a man made a triangle helicopter out of stainless wires and string. He called us up and merrily claimed it was stable and convenient to use, and never out of order. I asked him to hang on, but this innocent man just rang off and set out to fly from his courtyard. I dialed his number in the directory trying to ring him back, but never got through. 有一次, 有个人用不锈钢丝和绳子制作了一架三角形的直升飞机。他致电给我们, 高兴地声称其确实牢固, 而且方便使用, 从不发生故障。我请他稍等, 但这个天真的人挂了电话就开始从院子里起飞。我拨打他在电话簿上的号码试图回电给他, 却无法接通。

Merciful God blessing, an abrupt freezing rainfall made his powder wet. Luckily, the trouble was without any extension except that he crashed into a greengrocer' s making all the ripe fruits become messyjam. When people seized this crazy man with caution and sobered him by tapping his face, he complained about the bad weather instead of associating his failure with his unscientific design.

仁慈的上帝保佑，一场突然降临的冻雨打湿了他的火药，使他造成的麻烦没有扩大，只是撞入一间水果店，把所有成熟的水果都压成一塌糊涂的果酱。当人们小心地抓住这个失去理智的人，轻轻拍打他的脸使他清醒过来时，他还在抱怨糟糕的坏天气，却没有将他的失败与他不科学的设计联系起来。

39. Pronunciation and Status

口音与身份

An ambassador and a referee were consulting a professor on the caption of a Buddhistic alphabet when a sobbing woman stopped them to sell an antique musical bathtub. Her dirty garment and the handkerchief around her waist were badly in need of sending to a laundry. The ambassador uncomfortably gave her a handful of pence from his wallet and said, "Take this fortune away, troublesome woman."

When her figure faded away, the brilliant professor said, "You are mistaken and your improper remark on her should be condemned. In terms of this extraordinary woman, you can't classify her status by her horrible clothes or disgusting nails. Her clean woolen vest and stockings, especially her classic pronunciation, all suggested her upper status." The

ambassador gave a whistle in amazement, and advised making her acquaintance. The professor hesitated for a while, then compromised.

The outcome was that she was an authentic superior police officer. When they were shown in her office and saw her once more, she brought them a teapot of tea and some cookies, laughing and saying, "I rubbed some cream and wax on my garment and passed myself off as a shabby woman among thieves and robbers to investigate a plot. Generally speaking, your overlooking me and my adaptation are the best help. But my pronunciation seemed to have betrayed me."

一位大使和一位裁判正在就一张佛教符号表的文字说明请教教授，这时，一名哭哭啼啼的女人把他们拦住，要卖给他们一个古董音乐澡盆，她肮脏的衣服和腰间的手帕都急需送到洗衣店清洗。大使很不舒服地从钱包里掏出一把便士说：“把这大笔钱拿走，麻烦的女人！”

等她的身影渐渐远去，那位才华横溢的教授说：“你错了，你对她不适当的评论应该受到谴责。就这个不同寻常的女人来说，你不能根据她糟糕的衣服或令人恶心的指甲给她的身份地位分类。她干净的羊毛背心和袜子，尤其是她一流的发音，都暗示着她的上层身份。”大使惊奇地吹了声口哨，建议去认识她。教授犹

豫了一会儿，最后妥协了。

结果呢，她真的是一位高级警官。当他们被带进她的办公室再次见到她时，她给他们拿来一壶茶和一些饼干，笑着说：“我把奶油和蜡涂在大衣上假扮成寒酸肮脏的女人混进在小偷和抢劫犯中间，是为了调查一宗阴谋。通常说来，你们对我的忽视和我对此的适应就是最好的帮助。但是我的发音似乎暴露了我啊。”

40. A Sly Murder

一宗狡猾的谋杀案

When giving a lecture about the significance of punctuation, the academic professor was interrupted and arrested by the police for murdering his wife, a receptionist of a kindergarten. The police found some photos he deleted from their e-album showing that they used to have a gay life. But, fed up with her wrinkled face, he murdered her instead of divorcing her to avoid fortune division. He cut up a kind of seashell with a sharpened knife, and hammered it into powder on a skateboard, and made at most one gram, which was enough to accelerate one's pulse until he or she dies. This kind of poison can date back to 10,000 BC when people rubbed it on spears to kill beasts. The

professor mixed the poison with **onion**, water**melon** and **yogurt** for his wife. **Howling** and **scratching** her chest, she felt **dizzy** and died soon. 那位**学院的**教授在发表关于**标点符号重要意义**的演讲时被警察**打断**了，他因谋杀自己的妻子——一位**幼儿园的****接待员**——而被**逮捕**。警察找到了一些被他从电子**相册**里**删除**的照片，照片表明，他们曾经有过**快乐的**生活，但是，因为**厌烦了**妻子**起皱**的脸，他杀死她而不是和她离婚以避免离婚时的财产**分割**。他用一把**磨利**的小刀**切碎**一种**贝壳**，然后在**滑板**上**锤打**成粉末，**最多**1克就足以**加速**人的**脉搏**直到其死亡。这种毒药可以**追溯到公元前**10,000年，当时它就被涂抹在**长矛**上杀死**野兽**。教授把这种毒药混合在**洋葱**、**西瓜**和**酸奶**里给他的妻子，后者**叫喊**、**抓挠**胸口、**头晕**目眩，很快就死了。

After **tentative** examination, the police **assumed** she died of heart disease. But **systematic botanical analyses** showed that the watermelon **spit** on the **messy mat** and the **quilt** was poisonous. **Regardless of** exhaustion and **starvation**, the **acute** and **skilful** policemen used **radioactive** equipment to make sure the **category** of the poison. **Primitive** and not **ample** as their **alternative** equipment was, they got perfect **accuracy somehow**. 在**初步**检查之后，警察**设想**她是死于心脏病。但是**系统的植物学分析**却表明，**吐**在**凌乱的席子**和**被子**上的西瓜有毒。**敏锐**而又**技术娴熟的**警察**不顾**疲劳和**饥饿**，用**放射性的**设备确定了毒素的**种类**。尽管**可供选**

择的设备原始，且数量不足，他们还是设法取得了完美的准确度。

People applauded the police and the woman' s family can look ahead with relief now.人们都为警察欢呼鼓掌，而那位女人的家人现在也可以带着欣慰为将来打算了。

1. Fall in Love with English 爱上英语

Hiding behind the loose dusty curtain, a teenager packed up his overcoat into the suitcase. He planned to leave home at dusk though there was thunder and lightning outdoors. He had got to do this because he was tired of his parents' nagging about his English study and did not want to go through it any longer. He couldn' t get along well with English and disliked joining in English classes because he thought his teacher ignored him on purpose. As a result, his score in each exam never added up to over 60.

His partner was concerned about him very much. She understood exactly what he was suffering from, but entirely disagreed with his idea. In order to calm him down and settle his problem, she talked with him face to face and swapped a series of learning tips with him. The items

she set down helped him find the highway to studying English well.

The teenager was grateful and got great power from his friend' s words. Now, he has recovered from being upset and has fallen in love with English.

有个少年躲在积满灰尘的松散窗帘后把大衣装入手提箱。尽管外面正打雷闪电，他仍计划在黄昏时分离家出走。他不得不这样做是因为厌倦了父母对他英语学习的唠叨，不想再忍受下去了。他的英语学习总是无法取得进展，而且不喜欢参加英语课的学习，因为他以为老师有意忽视他。结果，他每次考试的分数合计从未超过 60。

他的搭档很关心他，也确切地理解他遭受的折磨，但却完全不同意他的想法。为了使他冷静下来好好解决问题，她和他面对面地交谈，并交换了一系列的学习心得技巧。她写下来的条款帮助他找到了学好英语的最佳捷径。

这个少年非常感激，并从朋友的话里获得极大的动力。现在，他已经从沮丧中恢复过来，真正爱上了英语。

2. Different Countries Have Different Kinds of Englishes

不同的国家有不同的英语

Voyages of people from England play an important part in spreading the English language. At present, English is frequently spoken as an official or common language in many countries, such as America, Singapore, Malaysia and some African countries. All based on British English, the English spoken in these countries can be well understood by native English speakers. But actually, these Englishes have been gradually changing in accents, spellings, expressions and the usage of vocabulary.

Because of this fact, you can make use of the differences to tell which country the foreigners of your block are from. For example, if a boss fluently commands his driver, “Come up straight to my apartment by elevator and take some gas for my trucks and cabs”, instead of requesting, “Please come to my flat by lift and take some petrol for my lorries and taxis”, you can recognize his American identity, while the latter suggests that he is British.

英国人的航海在英语的传播中扮演了重要的角色。目前，英语在许多国家被作为官方语言或通用语言频繁地使用，例如美国、新加坡、马来西亚和一些非洲

的国家。这些国家的英语都以英式英语为基础，能很好地为以英语为本族语的人所理解。但是实际上，这些英语在口音、拼写、表达和词汇的使用方面都在逐渐变化。

因为这一情况的存在，你就可以利用这些英语之间的区别说出你们街区的外国人是哪个国家来的了。例如，如果有个老板流利地命令他的司机：“Come up straight to my apartment by elevator and take some gas for my trucks and cabs (直接搭电梯到我公寓上来拿卡车和出租车的汽油)”，而不是要求说，“Please come to my flat by lift and take some petrol for my lorries and taxis (请直接搭电梯到我公寓上来拿卡车和出租车的汽油)”，你就可以轻易地辨认出他的美国人身份，而后者却暗示着那是一位英国人。（请注意：听力录音里第二段两个“电梯”的单词跟原文不一致，原文是对的，录音弄错了，elevator 才是美式说法而 lift 是英式说法。）

3. A Hard Trip

一次辛苦的旅行

My sister was fond of traveling. Ever since graduating, she had been determined to organize a trip to an old temple. Since transporting fare was expensive, she decided to use a bicycle to cycle there not caring

about the disadvantages. Her stubborn attitude was always her shortcoming. Once she made up her mind to do something, no one could persuade her to change her mind. Finally, we gave in as usual though we preferred to take a train. After we prepared everything, including the schedule, reliable weather forecast and the insurance, we began our trip.

Our journey was along a river flowing from a high altitude. Our pace was slow because the river frequently had many sharp bends through deep valleys, where the water seemed to boil. Just as I recorded in my journal, it was really a hard journey. But we also enjoyed great views. One night, I put my head on my pillow--a parcel of wool coats, and lay beneath the stars. When the flame in front of our cave went out at midnight, I found the sky so beautiful!

我的妹妹很喜欢旅行。自从毕业以来，她就下定决心要组织一次往一座古庙的旅行。因为交通费用昂贵，她决定骑自行车去，毫不担心其中的不利情况。顽固的态度一直都是她的缺点，一旦她下定决心要做的事，就没有人能说服她改变主意。最后，我们像往常一样让步，尽管我们更喜欢乘火车去。我们准备好了所有东西，包括时间表、可靠的天气预报，还有保险，就开始了旅程。

我们的旅程沿着一条从高海拔处流下来的河流前行。但我们的步伐很慢，因为当流经深深的峡谷时，这条河流急转弯很多，急湍的河水都似乎沸腾起来。正如我在旅行日志里记录的那样，这真是一次艰苦的旅行。但是我们也欣赏到了美丽的景色。一天晚上，我把头枕在一包羊毛衣服做的枕头上，躺在星空下，当岩洞前的火焰在午夜熄灭时，我发现夜空是如此的美丽！

4. A Horrible Earthquake

可怕的地震

Dirty water rose in wells and canals before the earthquake. But no one judged that an earthquake was coming. Suddenly, everything shook. It seemed as if the world was at an end. Millions of brick houses and a number of dams were destroyed. Railway tracks became useless bars. Pipes in mines burst and let out smelly steam. Huge cracks trapped cyclists everywhere.

The next day, this event was the headline or main title of all newspapers. With the reporters giving an outline of the disaster, the whole nation was shocked by the damage and the victim' s extreme suffering. People were moved when they read that the survivors

comforted each other by saying “Congratulations! You survived!” . So they not only expressed their sympathy sincerely, but also organized together to help the victims right away. The injured were rescued and the dead were buried. The frightened survivors were dug out from under the ruins and were offered shelter, fresh water and electricity. Thanks to people’ s help, the loss was minimized.

地震前，水井和运河里的污水都涨涌起来。但是却没人判断出地震即将来临。霎那间，一切都在摇晃，似乎整个世界就要结束。数以百万的砖房和许多水坝遭到破坏；铁路轨道都变成无用的铁条；煤矿管道纷纷爆裂，发出有臭味的蒸汽；到处都有骑车的人被巨大的裂缝陷住。

第二天，所有报纸都纷纷以大字标题或主要标题报道了这一事件。记者们描述了灾难的大概情况，全国都被地震的破坏和灾民们极度的苦难所震惊。当人们读到幸存者以“恭喜啊，你还活着。”来互相安慰时，都被感动了。人们不仅衷心地表达了他们的同情，而且还立刻组织起来帮助灾民。伤员被救助了，死者被埋葬了，吓坏的幸存者被从废墟中挖出来了，栖身处、净水和电力也很快得到提供。多亏了人们的帮助，灾区的损失被减到了最小。

5. The Great President

伟大的总统

As the founder of the republic, the president had many good qualities. Before coming to power, he was a generous lawyer. He was willing to selflessly help everyone who turned to him. He accepted no fee to offer legal guidance and opinions to those who were out of work or uneducated. Later, believing all mankind to be equal, he devoted himself to stopping the unfair anti-black laws. He set up the Black Youth League and was voted to be the leader. However, though he kept peaceful principles without violence and terror, his mean enemies still blew up his house and attacked his relatives, and he himself couldn't escape being sentenced to 30 years in prison.

Not fearing of the prison guards' cruelty, he kept active and begged no mercy from them. As a matter of fact, he was always hopeful and never lost heart during the stage even though he was in trouble.

Finally, people rewarded him with the leader's position and a gold blanket.

作为共和国的创始人，这位总统具备许多的优秀品质。还在掌权之前，他就

是一位慷慨的律师。他愿意无私地帮助那些向他求助的人。他免费为失业的，或没有受过教育的人提供法律指导和意见。后来，因为相信所有人类都是生来平等，他全身心投入到废除不平等的反黑人法律工作中。他建立了黑人青年团并被选为领袖。然而，尽管他坚持没有暴力、没有恐怖的和平原则，卑鄙的敌人还是炸毁了他的家、袭击了他的亲属，他自己也无法逃脱被判 30 年徒刑的遭遇。

在狱中，他毫不畏惧狱警的残酷，始终保持积极的态度，不向他们乞求怜悯。实际上，他在任何一个困境时期都充满着希望，从未灰心。

最后，人们以领袖的职位和一块金毯子回报了他的贡献。

6. A Brave Maid

勇敢的女仆

A wooden vase from the Ming Dynasty at the entrance of the reception hall amazed everyone. The artists designed it in a rare style and selected valuable jewels to decorate it. People thought highly of its fancy colour of honey and the beautiful paintings on it.

The vase used to belong to a former castle. But when the country

was at war, the enemy troops exploded the castle. Debates on how the vase survived went on and on. In order to remove people' s doubt, a team of no less than 20 people carried out an informal investigation. The evidences they found showed that a maid took the vase apart and asked a sailor to sink it in a local well. She never gave away the secret even under the cruel trial of the enemies who were in search of treasures.

It is worth giving this brave maid a fortune in return.

接待大厅入口处的明朝木制花瓶 使每个人都惊奇不已。艺术家以一种罕有的风格设计它，并挑选了贵重的珠宝装饰它。人们高度赞赏它那蜂蜜般的奇特颜色，还有上面绘制的绘画。

这个花瓶曾经属于一座从前的城堡，但在战争期间，敌人的军队炸毁了城堡，于是关于这个花瓶是如何幸存下来的争论就一直在持续着。为了解开人们的疑问，一个由不少于 20 人的调查队开展了一次非正式的调查。他们找到的证据表明，有个女仆 把花瓶拆开，然后让一名水手把它沉到当地的一个水井里。她从来没有泄露这个秘密，即使是在搜寻财宝的敌人残酷的审讯下。

这位女仆真是值得给予一大笔钱作为对她的回报。

7. A Fair Competition

公平的比赛

Swifter, Higher and Stronger stands for the spirit of the Olympics. But fairness is the basis of this motto. Only when you win fairly will you and your homeland deserve the great glory. But nowadays, unlike the ancient honest slave competitors, some hopeless athletes who can't bear the pain of training cheat when taking part in games. Medals seem to have magical power causing them to cheat, and the prize money has replaced the motto as their only goal.

So, in the gymnastics event to be held in our city next month, one of the host's responsibilities is to keep competitions fair. They advertised on posters outside the stadium to promise that every competitor is to have a regular physical examination in a gymnasium one after another. No one can bargain on this. The volunteers in charge will be very strict. It is foolish to cheat because they will not be admitted to compete and will even be fined as well.

“更快！更高！更强！” 代表着奥运精神。但是公平却是这一格言的基础。只

有当你公平地赢得比赛，你和你的祖国才会承受这样的光荣。但如今，不像古代那些诚实的奴隶参赛者，有些没有希望的运动员无法承受训练的痛苦，于是在参加比赛时作假。奖牌似乎有某种魔力使他们作假，奖金也已经代替了奥运格言成为了他们唯一的目标。

因此，在我们市下个月即将举行的一场体操赛事中，主办方的其中一项责任就是要确保比赛的公平。他们在体育场外的海报上做广告，承诺说每个参赛者都将在体育馆一个一个地参加常规的身体检查。对此没有人可以讨价还价。负责此事的志愿者将非常严格。作假是很愚蠢的，因为他们将不被允许去竞赛，甚至还将被罚款。

8. Computers

电脑

The goal of early calculating machines was to simplify difficult sums. But with the help of new technology, electronic chips replaced tubes and a revolution of artificial intelligence has arisen. From then on, the appearance of computers totally changed our lives. They can not only download information from the web when connected by the network or mobile phone signals, but also solve different types of logical problems.

With operators as their coaches, they can even control rockets to explore the moon and instruct androids with the human race' s characters to mop floors and watch over your naughty niece. Anyhow, computers are so helpful that they do bring happiness.

However, computers are easily attacked by viruses. This reality has become a hard-to-deal with-problem. As a result, computers are dangerous in a way. So, personally, I worry about their universal applications in some fields, such as finance.

早期计算机的目的是简化比较难的计算。但是在新技术的帮助下，电子芯片代替了电子管，一场人工智能革命由此掀起。从那时起，电脑的出现完全改变了我们的生活，它们不仅能在网络或移动电话信号的连接下从网上下载信息，而且可以解决各种类型的逻辑问题。在操作员的教练下，它们甚至还可以控制火箭探索月球，指导具有人类性格的机器人擦洗地板和照顾你调皮的侄女。不管怎么说，电脑都是如此的有用，以致的确给人们带来了快乐。

然而，电脑很容易受到病毒的攻击，这一现实已经成为一个难以处理的难题，结果，电脑在某种程度上是很危险的。因此，就个人而言，我很担心电脑在某些领域，例如金融方面的广泛应用。

9. Wildlife Protection

保护野生动植物

Dinosaurs died out because of an unexpected incident. But wildlife today disappears or is in danger just because humans do harm to it. For example, tigers are hunted for fur to make carpets so that they can only live in secure reserves; grassland is destroyed without mercy so that dust storms come into being affecting distant cities.

Last year, scientists saw some monkeys rubbing themselves with a certain kind of insects to protect themselves from fierce mosquitoes biting. According to the result of the inspection, they found that the insect contains a powerful drug, so local farmers were employed to catch the insects. The ending was that the insects disappeared from the whole zone. When told that it was a loss to humans, the farmers burst into laughter and responded, “Our real loss is our decreasing income.”

We should appreciate the natural balance and pay more attention to the importance of wildlife protection. Not until we succeed in letting wildlife live in peace, can we smile in relief.

恐龙因一次意外事件而灭绝，但是今天的野生动植物却是因为人类的伤害而消失或处在危险中。例如，老虎被猎杀以获取做地毯的皮毛，以致它们只能生活在安全的保护区里；草地被毫不怜悯地破坏，以致沙尘暴开始影响遥远的城市。

去年，科学家观察到猴子在身上擦某种昆虫来保护自己不受凶猛的蚊子的叮咬。根据检查的结果，他们发现这种昆虫含有一种具有强大效力的药物，于是，当地的农民都被雇来抓虫子。结果是，这种昆虫从这整个地区都消失了。当被告知说这是整个人类的损失时，农民们都突然大笑着回应道：“我们减少的收入才是我们真正的损失呢！”

我们应该意识到自然平衡的重要，更加注意野生动植物的保护。直到我们成功让野生动植物安详平静地生活，我们自己才能如释重负地笑开颜。

10. My First Band

我的第一支乐队

I was very sensitive to music. Just dipping into the music books briefly, I could sing or play well. To be honest, I always dreamt of becoming a famous folk actor. I was so confident that I never decreased my devotion.

I formed my first band called “Rolling Frog” . At the beginning, we relied on performing on instruments in pubs or to passers –by to earn extra money in cash. Then we wore false beards to pretend to be the musicians whom people were familiar with. In addition, we attached humorous acts to our performances and played jokes on each other. Soon, our “funny jazz” became famous and invitations to perform for broadcast stations began to come. Afterwards, we sorted out attractive music and made a record in a studio. A million or so copies were sold and we became millionaires.

It was painful that the band broke up finally. But above all, I realized my dream to be a musician.

我对音乐很敏感，只要简要地浏览一下乐谱，我就能演唱或演奏得很好。说实话，我一直都梦想着能成为出名的民间演员，自信的我从未减少过热爱。

我组成的第一支乐队叫做“摇滚蛙”。开始，我们依靠在酒吧里或向路人表演乐器来挣些零花的现金。然后我们带上假胡子假扮人们熟悉的音乐家，除此之外，我们在表演中加上幽默的动作，互相开着玩笑。很快，我们的“滑稽爵士乐”出了名，到广播电台表演的邀请开始多起来。随后，我们把我们的吸引人的音乐做了

分类，在一间音乐**工作室**录制了 1 张唱片，**大约**卖出了 100 万张，这使我们都成了**百万富翁**。

乐队最终的**解散**让我很心痛，但**最重要的是**，我实现了自己当音乐家的梦想。

14. Explore MKII

探测 MKII 行星

MKII, a planet **billions** of kilometers away, is the origin of life in many **religions**. **Physicists** have proved the **theory** that its **gentle climate** and the **pull** of its **gravity** are similar to the earth' s. And **astronomers** have found that **oxygen atoms** and **carbon dioxide**, which are **fundamental** to life, exist in its **atmosphere** through **satellites**. **Cheered up** by this news, **biologists**, in their turn, began to do some research to remove people' s **puzzles**—**Now that** there are some suitable conditions, does life really **exist** on this **globe**? Do they **multiply** by **laying eggs** or **giving birth to** babies?

Last month, a **spaceship** was sent there. It' s a pity that this mission failed. **Unlike** the earth, MKII is a much younger planet. **Thus, masses** of

harmful acid clouds float everywhere causing violent chain reactions to break out. These clouds not only blocked out the pilots' sight but also damaged the engine system. Luckily, the pilots watched out carefully and prevented the spaceship from crashing in time.

MK 二号是一颗几十亿公里外的行星，它在许多宗教里都是生命起源的地方。物理学家已经证明了它温和的气候和重力的牵引都和地球相似的理论；天文学家也通过卫星，在它的大气层里发现了氧原子和二氧化碳的存在，这些都是对生命来说，都是基本的。受到这一消息的鼓舞，生物学家们接着开始了研究以解开人们的迷惑——既然有了适合的条件，生命真的存在于这个星球吗？他们是通过下蛋，还是产仔来繁殖后代的呢？

上个月，一艘太空飞船被派到了那儿。可惜的是，这次任务失败了。不像地球，MK 二号是一颗年轻得多的行星。因此，大团大团的有害酸云到处漂浮，引起猛烈的连锁反应的爆发。这些云团不仅阻挡了飞行员的视线，而且还损坏了发动机系统。幸运的是，飞行员小心注意，才及时阻止了飞船的坠毁。

3. Sailing Home

划船回家

This novel was about an unbelievable but genuine adventure. Its author was a black businessman who was brought up in America. In 1956, he visited Africa, his birthplace. One day, when he was wandering on the pavement near the bay enjoying the sea scenes, he lost his money and passport that he kept in an envelope. So he went to the embassy to seek help, but the ambassador with rude manners didn' t permit his staff to help though he bowed to him. Staring at his impatient face, he understood that it was the fault of his skin colour that accounted for their refection. So he decided to take a chance to sail on a small boat home.

He met a large amount of difficulty but was never stopped. On the contrary, difficulty pushed him to go ahead harder. Three months later, he was spotted by a ship by accident. He was in rags indeed. A maid even screamed when bringing him a steak and pineapple dessert. Aboard, he earned his passage by working as a barber and got home finally. As for the name of his novel, he couldn' t think of a better one than the phrase "Go Ahead" .

这部小说写的是一次令人难以置信而又真实的历险。其作者是一位在美国被抚养长大的黑人商人。1956 年，他回到他的出生地非洲。有一天，当他在海湾边

的人行道上漫步欣赏海景时，他丢失了一个装着钱和护照的信封，于是向当地的大使馆寻求帮助。但是大使态度非常粗鲁，即使向他鞠躬，也不允许他的职员帮忙。盯着他那不耐烦的脸，他知道是他皮肤颜色的错才导致了他们的拒绝。于是，他决定冒险驾驶一只小船回家。

他遇到了许多困难，但是从未停止，相反，困难推动他更努力地前进。三个月后，当他被一艘船偶然发现时，真的是衣衫褴褛。给他端来牛排和菠萝甜品的女仆甚至被吓得尖叫起来。在船上，他当一名理发师来争取船费，最后终于回到了家。至于这部小说的名字，他再也不能想到一个比“前进”更好的短语了。

16.A Woman Doctor-Lina

女医生丽娜

Born in a pigs' nest, Lina led a poor life in her childhood. She was looked down upon by the children of her generation. But she intended to become a doctor after she came across Lin Qiaozhi by chance, who was delivering medical courses to an audience crowding around her. Before moving off, Lin inspired her to carry on her study. With Lin' s support, Lina entered an institute and studied hard sparing no time for entertainment. Her being outspoken and modest won respect for her.

Her excellent arguing skills and observation ability put others into the shade.

Now, Lina has become a specialist in human beings' emergency sickness. Her kindness and considerate behavior to the poor were well known. The organization she founded carried out campaigns and welfare projects to help cut the death rate for the poor. Her job was hard but worthwhile. She often refers to the connection between her achievement and Lin Qiaozhi, and says that her poor childhood is the bond between her and the poor.

丽娜出生在猪圈里，童年过着贫穷的生活，被和她同辈的孩子看不起。但是在她偶然遇见了林巧芝之后却打定注意想要成为一名医生，当时林巧芝正在给拥挤在她身边的观众传授医疗课程，在离开之前，林巧芝鼓舞她继续坚持学习。在林的支持下，丽娜进入了一所学院。她努力学习，毫不浪费时间玩闹娱乐。她的坦诚和谦虚为她赢得了尊敬，她优秀的辩论技巧和观察能力使其他的人都黯然失色。

现在，丽娜已经成为一名人类紧急病症专家。她对穷人的好心和考虑周到的一举一动都众所周知，她建立的组织开展各种活动和福利项目来为穷人减少死亡

率。她的工作艰苦却很值得。她常常提到她的成就和林巧芝之间的联系，还总是说她贫穷的童年就是她与穷人之间的纽带。

17. A New Farming Way

新的耕种方式

Tuan was a farmer in Vietnam. For decades, he had been struggling to rid his family of hunger. However, it always confused him how to expand the output of his crops. This disturbing problem led to his regretting being a farmer. He would rather have chosen another job.

One day, when skimming through a newspaper, Tuan read a comment on Yuan Longpin. He underlined Yuan' s nationality and occupation, and then focused on his discovery and the statistics of his research. He found the knowledge Yuan circulated very practical. Therefore, he made a summary and began to build up a new farming method. He planted super grain of rich nutrition and equipped himself to keep his crops roots free from bacteria and pests. He also enriched minerals in the soil while reducing chemical fertilizers. Though it cost him more time and freedom, he was full of hope.

The next year, Tuan was sunburnt but satisfied with his production very much. Thanks to Yuan Longpin, he not only won the battle against hunger, but he could also export his crops abroad.

俊是一名越南的农民，几十年来，他都一直在努力使家人摆脱饥饿。然而，如何扩大他的农作物产量这一问题却一直在困扰着他。这个恼人的问题导致了他后悔当一名农民，而宁愿自己当初选择其它的工作。

一天，俊在浏览报纸的时候，读到一篇关于袁隆平的评论。他在袁的国籍和职业下面划了线，然后将焦点集中在他的发现和研究数据上。他发现袁传播的知识非常实用，因此，他做了摘要，并开始建立一种新的耕作方式。他种植营养丰富的超级谷物，添置设备以使作物的根部免受细菌害虫的伤害；他还增加土壤所含的矿物质，同时减少化学肥料的使用。尽管耗费了他更多的时间和自由，他却充满着希望。

第二年，俊被晒黑了，但是却对自己的生产非常满意。多亏了袁隆平，他不仅赢得了对抗饥饿的战斗，而且还将自己的作物出口到国外呢。

18. Chaplin - A Great Master of Humour

幽默大师卓别林

Chaplin was an extraordinary performer who starred in and directed many outstanding comedies. Few were bored watching his moustache, his gestures or his entertaining reactions when chased by detectives. Being drunk, sliding on a banana skin or whispering his own failures to nobody, he made us feel more content with our life without any verbal explanation. His particular sense of humor has astonished everybody throughout the world up to now.

In a small budget film, he played a badly-off and homeless person wearing worn-out shoes and messy clothes. On one occasion, he was trapped by a snowstorm in a vast mountainous area. Though he overcame many difficulties, he wasn't fortunate enough. With all the porridge eaten up, he picked out a shoe and boiled it to eat. He cut off the leather bottom and chewed it like a pancake. According to an actress, his acting was so convincing and amusing that everybody couldn't help bursting into laughter.

卓别林是一名非凡的演员，他主演并导演了多部杰出的喜剧。看见他可笑的小胡子、滑稽的手势动作，还有面对警探的追捕时有趣的反应，很少有人会觉得厌烦。喝醉酒啦，踩到香蕉皮滑倒啦，或者自言自语（低语）自己的糗事啦，他

无需任何语言解释的表演总是使我们对自己的生活感到更加满意。他独特的幽默感直到现在依然使世界各地的人们都感到惊讶。

在一部小预算的电影里，他穿着磨破的鞋子和脏兮兮的衣服，扮演了一名贫穷又无家可归的人。在一幕场景中，他被一场暴风雪困在一片多山的区里。尽管他克服了许多困难，但是他还是运气不好的。粥都吃完了，他只好挑出一只鞋子煮来吃。他切下皮革的鞋底，像烙饼一样地咀嚼起来。据一名女演员所说，他的表演是如此地令人信服而又逗人发笑的，以致在场的所有人都忍不住大笑起来。

2. Are You Going to Thank Her? (1)

Mrs. Green has lived near the park of the city for forty years. She's very rich and has got a lot of money. But she never buys something expensive for her family and always does all the housework herself. She sweeps all the rooms every day.

Last morning, when she got up, she felt terrible. After breakfast she felt even worse. She found some medicine and took it. But it was useless to her and she had to go to a hospital.

2. 您是要感谢她吗？(1)

格林夫人(Mrs.)在这座城市(city)的公园(park)附近住(live)了四十(forty)年了。她特别富裕(rich)，相当有钱(money)。但她从不(never)给自己的家人(family)

买昂贵的(expensive)物品，而且总是(always)自己做所有的家务(housework)，她每天打扫(sweep)所有的房间。

昨天早上(Last morning)。她起床(get up)时感觉(feel)很糟糕(terrible)。早餐(breakfast)后她觉得更严重(even worse)，就找了一些药(medicine)吃了。但还是没用(useless)。她不得不去了医院(hospital)。

3. Sam and Tod (1)

Sam had a dog. Its name was Tod. It was very helpful, but it ate too much. So Sam didn't like it, and he wanted to kill Tod. He tied Tod in a bag and put it in a small boat. He rowed the boat to the middle of a big river. Just as he threw the poor animal into the river, the boat began to go down. Both Sam and Tod fell into the river.

3. 萨姆与托德(1)

萨姆有一只狗(dog)。他的名字叫托德。它很有用(helpful)，但它吃的太多(eat too much)。所以萨姆不喜欢他。萨姆想杀死(kill)托德。萨姆把托德绑(tie)在一个袋子里，把它放进一只小船(small boat)。他把船划(row)到一条大河(river)的中央(middle)。他正要(just)把这只可怜的动物(poor animal)扔(throw)下河的时候，船开始下沉，萨姆和托德两个都(both)跌入(fall into)河里。

4. In the Bar (2)

They drank for half an hour, and then Mr. Thompson said to his son, "Now, Tom, I want to teach you a lesson, You must always be careful not to drink too much. And how do you know when you've had enough? Well, I'll tell you. Do you see those two lights at the end of the bar? When they seem to have become four, you've had enough and should go home." "But, Dad," said Tom, "I can only see one light at the end of the bar."

4. 在酒吧(2)

喝了半个小时(half an hour)后, 汤普森对儿子说道, "汤姆, 现在我给你上一课(teach you a lesson)。你必须(must)要小心(be careful)决不要喝太多。那怎样才能知道你是否已经喝够了(enough)呢? 听着, 我告诉你。你看见(see)酒吧尽头的(at the end of)那两盏灯(light)了吗? 当它们看起来(seem)已经变成(become)四盏的时候, 你就喝足了, 应该(should)回家(go home)了。" "可是, 爸爸," 汤姆说, "我只(only)看见那儿有一盏灯呀!"

5. Three Black Umbrellas (2)

She thought, "You could carry that when you are wearing clothes of any color." So she decided to buy a lovely black umbrella and took it back to the school with her until her classes had finished.

On her way home in the train that evening she felt hungry because she had such a small lunch that she went along to the buffet car(餐车) for a sandwich and a cup of coffee.

5. 三把黑伞(2)

她想, “穿(wear)任何颜色(color)的衣服(clothes), 都可以携带(carry)黑伞。” 于是她决定买把可爱的(lovely)黑伞带回学校(school), 直到(until)课(class)结束(finish)时才带回家。

那天晚上(evening). 在她乘火车回家的路上(on her way home), 因为午餐吃的很少(have such a small lunch). 她觉得饿(hungry). 于是走进餐车, 要了一份三明治(sandwich)和一杯咖啡(a cup of coffee). 告诉他们自己为妈妈买的伞不见了, 而且下一站(next station)她就得上车了。其他的(other)三位乘客听到(hear)后, 都询问她母亲的地址(address), 以便(so that)有人知道拿错了(take it by mistake)伞再拿回来(bring back)时, 他们可以把伞寄(send)给她母亲。

在接下来的一周, 萨莉收到她母亲的来信(hear from her mother), 上面写道, “非常感谢你送我的漂亮礼物, 但你为什么寄给我三把相似的(similar)黑伞呢?”

7. The “Deaf” Wife

A man is talking to the family doctor. "Doctor, I doubt whether my wife's going deaf." The doctor answers, "Here's something you can try on her to test her hearing. Stand some meters away from her and ask her a question. If she doesn't answer, move a little closer and ask again. Keep repeating this until she answers. Then you'll be able to tell if she is deaf or not."

The man goes home and begins to test his wife's hearing. He stands by the wall and says, "My dear, what's for dinner?" He doesn't hear an answer, so he moves closer to her. "My dear, what's for dinner?" Still no answer. He repeats this several times, until he's standing just a few feet away from her.

Finally, she answers, "For the eleventh time, I said we're having meat and rice!"

7. “耳聋的”妻子

某人对他的家庭医生说，“医生，我怀疑(doubt)我妻子(wife)要聋(deaf)了。”医生回答说，“有个办法可以测试(test)她的听力。你站(stand)在离她几米远(some meters away)的地方，然后问她一个问题(question)。如果她不回答，你再走近点(a little closer)，然后再问。如此重复(repeat)直到她听到为止。那时你就可以判断她是否聋了。”

这人回家后便开始测试他妻子的听力。他站在墙的旁边(by the wall)说，“亲爱的(dear)，晚饭(dinner)吃什么？”他没听到回答，于是又朝妻子走近了些

。“亲爱的，晚饭吃什么？” 仍然(still)没有回答。他如此反复了几次(several times)。直到他离妻子只有几英尺(a few feet)的地方。

最后(finally)，她回答道，“我都说了十一次了，我说咱们要吃肉(meat)和米饭(rice)。”

We Really Don't Know (1)

Jack had gone to the university to study his history, but at the end of his second term, he failed his history exam, and he was told that he would be dismissed from university. However, his father decided that he would go to see the history professor(教授) to ask him to let Jack continue his studies the next year.

“He's a good boy,” said Jack's father, “Please pardon him. If you let him pass this time, I'm sure he'll improve a lot next year and pass the examinations at the end of it really well.”

8. 我们真的不知道(1)

杰克去大学(university)里学习(study)历史(history)，但在第二学期(term)末，他的历史考试不及格(he failed his history exam)。同时他还被告知将被开除(dismiss)。然而(however)。杰克的父亲(father)决定去拜访那位历史学教授，请求教授让(let)杰克继续(continue)下一年的学业。

“他是个不错的男孩(boy)。” 杰克的父亲(father)说, “请原谅(pardon)他吧! 如果这次您能让他通过(pass), 我确信(I'm sure)他明年一定会大有长进(improve a lot); 而且会在年终时真正地(really)很出色地通过考试。”

9. Raymond (1)

Everybody dreams of doing something important. As a boy Raymond dreamed of being a scientist, infact, he is a postman now.

Raymond is an active young man. He lives by the saying(格言) “If you can't live the life you love, Love the life you live ” He greets everyone with a big smile and a friendly “Hi, how are you?” And he really wants to know! It's hard to fee! unhappy when we hear him whistling(吹口哨)happily up and down the street.

9. 雷蒙德(1)

每个人(everybody)都梦想(dream of)做些重要的事。雷蒙德小时候梦想成为一名科学家(scientist), 实际上(in fact)他现在是一名邮递员(postman)。

雷蒙德是个积极主动的(active)年轻人。他信奉的格言是 “如果你不能过你热爱的生活, 那就热爱你所过的生活。” 带着灿烂的微笑(smile), 他向每一个人打招呼(greet), 还来一句友好的(friendly)问候, “嗨, 你好吗?” 而且他确实想知道! 当我们听到他欢快地吹着口哨在街道(street)上来来往往(up and down)时, 想不高兴都难(hard)。

10. That's Why!

Jimmy started painting when he was three years old, and when he was five, he was already very good at it. He also got many prizes for his painting. He painted many beautiful and interesting pictures, and people paid a lot of money for them. They said, "This boy's going to be famous when he's a little older, and then we're going to sell these pictures for a lot more money."

Jimmy's pictures were different from other people's because he never painted it on all of the paper. He painted on half of it, and the other half was always empty.

"That's very clever," everybody said. "Nobody else does that!" They all believed that the boy was a pioneer in painting.

One day, somebody bought one of Jimmy's pictures and then said to him, "Please tell me this, Jimmy. Why do you paint on the bottom half of your pictures, but not on the top half?"

"Because I'm small," Jimmy said, "and my brushes don't reach very high."

10. 原来如此!

吉米三岁开始画画(start painting), 五岁时已经(already)画得相当好了。他还因此获得很多奖(many prizes)。他画了很多美丽(beautiful)有趣的

(interesting)图画(picture)。人们付(pay)很多钱(a lot of money)买这些画。他们说：“这个孩子大一点后肯定会出名(be famous)。到时我们可以靠这些画赚更多的钱。”

吉米的画不同于(be different from) 他人的画，因为他从来不在整张纸上作画。他只在一半纸上画，另一半总是空的(empty)。

“这真是个聪明的(clever)做法！” 大家都说，“没有其他人(nobody else)这么画过。” 他们都认为这男孩堪称绘画艺术的先锋(pioneer)。

有一天，有人买了吉米的画，然后问：“请告诉我，吉米，你为什么总是在纸的下半部分(bottom half)画而不在上半部分(top half)画呢？”

吉米说：“因为我个头小，我的画笔(brush)无法够到(reach)那么高(high)。”

11. Living like a Pig (1)

One day, a guru(印度教大师)knew what he would be in his next life. So he called his favoritedisciple(徒弟) and asked him what he would do to show thanks. The disciple said he would do whatever his guru asked him to do.

After the guru received the promise, he said, “Then this is what I'd like you to do for me. I've just learned that when I die very soon, I'm going to be born as a pig. Do you see that pig eating rubbish over there in the yard ?

I'm going to be born as one of its baby pigs. You'll recognize (认出) me by a mark on my face. When the baby pigs have been born, find the baby pig with a mark on its face and kill it with your knife. Then I'll not live a pig's life. Will you do this for me?"

11. 像猪一样生活(1)

有一天，一位印度教大师知道了他的来生是个什么样子，因此，他召来(call)自己最喜爱的(favorite)徒弟，并问他要做什么来表示感谢。徒弟说无论什么(whatever)，只要大师要求，他都会去做。

收到(receive)这项承诺(promise)之后，大师说：“我现在就告诉你我希望你为我做的。我刚刚得知(learn)我就要死了，我会出生(be born)成为一只猪(pig)。你看到正在院子(yard)里吃垃圾(rubbish)的那头猪了吧？我将会是它下一窝猪仔中的一只小猪(baby pig)。你会从我脸(face)上的记号(mark)认出我来。当那些小猪出生以后，你去找脸上有记号的小猪，用你的刀(knife)把它杀死，这样我就不会过猪的生活(live a pig's life)。你会为我做吗？”

11. Living like a Pig (2)

The disciple was sad to hear all this, but he agreed to do as he had promised.

Soon after this conversation, things happened just as the guru had mentioned. The guru died. Four baby pigs were born. One day, the disciple held his knife with him and picked out the baby pig with a mark

on its face. Just as he was about to kill it, the little pig suddenly spoke, "Stop! Don't kill me!" it cried.

The disciple was very surprised, and he heard the little pig speak in a human voice, it said, "Don't kill me I want to live on as a pig. When I asked you to kill me, I didn't know what a pig's life would be like. It's great! Just let me go."

11. 像猪一样生活(2)

听到这些徒弟很伤心(sad), 但他同意(agree)照大师所说的去做。

事情正和大师提到(mention)的一样。在他们的对话(conversation)之后不久, 大师死了, 四只猪仔出生了。有一天, 徒弟握着(hold)他的刀, 挑选(pick out)出脸上有记号的那只小猪。当他正要(be about to)杀掉它时, 小猪突然(suddenly)开口说话: "住手! 不要杀我!" 小猪大喊道。

徒弟非常吃惊(surprised), 他听到小猪用人的声音(in a human voice)说: "别杀我! 我想要当猪继续活下去。当我要求你杀我时, 我并不知道猪的生活将是什么样。猪的生活很棒(great)! 就让我活下去吧。"

12. Greenland and Iceland

Greenland is the largest island on earth. It is in the north of Europe. Near Greenland is another island. It is small. Its name is Iceland. Do you think that Greenland is green and warm? Do you think that Iceland is white with ice? If you do, you are wrong. Not

many people live on the big island of Greenland. There are more people in your hornet own than in all of Greenland That is because Greenland is not green Greenland is white. Most of Greenland is covered with lots of ice. The ice covering Greenland is higher than some of the world's buildings. What aboutIceland? Is it colder than Greenland? No, it is not. Iceland has ice, but not so much ice asGreenland. Iceland has a Lot of hot springs(温泉).They give out hot water and steam (蒸汽). So it is not as cold as Greenland. And there are a lot more people who live in Iceland.

12.格林兰岛与冰岛

格林兰岛是世界上(on earth)最大的岛屿(largest island)。它位于欧洲(Europe)的北部(north)。在格林兰岛的附近有另外一个岛。这个岛很小。它的名字叫冰岛。你认为格林兰岛是绿色(green)、温暖的(warm)吗？你认为冰岛是冰(ice)覆盖的白色(white)岛屿吗？如果你这样想，你就错了。格林兰岛上没有很多人居住。你家乡(hometown)的人会比(than)整个格林兰岛的居民都多。那是因为格林兰岛不是绿色的，它是白色的。格林兰岛的大部分(most)覆盖着(be covered with)很多冰。覆盖格林兰岛的冰比这个世界上的一些建筑物(building)还要高。冰岛怎样呢(what about Iceland)?它比格林兰岛还要冷(cold)吗？不，不是的。冰岛有冰，但不像格林兰岛那么多的冰(not so much ice as Greenland)。冰岛有很多温泉。这些温泉放出(give out)热水和蒸汽，因此冰岛不像格林兰岛那样冷(not as cold as Greenland)。而且冰岛的居民远远多于格林兰岛。

15.The Apple Tree (1)

A long time ago, there was a huge apple tree. A little boy loved to come and play around it every day. He climbed to the treetop, ate the apples, played under the tree... He loved the tree and the tree loved to play with him.

Time went by...The little boy had grown up and he no longer played around the tree.

One day, the boy came back to the tree and looked sad. "Come and play with me," the tree asked the boy.

"I am no longer a kid I do not play around trees any more" The boy replied, "I want toys. I need money to buy them." "Sorry, but I don't have money. But you can pick all my apples and sell them So, you will have money." The boy was so excited. He picked all the apples on the tree and left happily. The boy didn't come back after he picked the apples. The tree was sad.

One day, the boy returned and the tree was so excited "Come and play with me" The tree said "I don't have time to play. I have to work for my family. We need a house Can you help me?" "Sorry, but I don't

have a house But you can cut off my branches(枝干)to build your house.
” , so the boy cut all the branches of the tree and left happily.

The tree was glad to see him full of joy, but the boy didn't appear since then The tree was again lonely and sad.

15.苹果树(1)

很久以前有一棵巨大的(huge)苹果树(apple tree)。一个小男孩每天都喜欢来到树旁玩耍。他爬(climb)到树顶、吃苹果、在树下玩.....他爱这棵树，树也爱和他一起玩。

随着时间的流逝，小男孩长大了(grow up)。他不再到树旁玩耍了。

一天，男孩回到树旁，他看起来很悲伤。“来和我玩吧！”树说。

“我不再是个小孩(kid)，我不会再到树下玩耍了。”男孩答道，“我想要玩具(toy)，我需要(need)钱来买。”

“很遗憾，我没有钱。但是你可以摘(pick)我所有的苹果拿去卖。这样你就有钱了。”男孩很兴奋(excited)。他摘掉树上所有的苹果，然后高兴地离开了。摘过苹果以后，男孩没再回来(come back)。树很伤心。

一天，男孩回来(return)了，树非常兴奋，“来和我玩吧”，树说。“我没有时间玩。我不得不(have to)为我的家庭工作。我们需要一个房子，你能帮我吗？”“很遗憾，我没有房子。但是，你可以砍下(cut off)我的树枝来建房。”因此，男孩砍下所有的树枝，高高兴兴地离开了。

看到他充满欢乐(full of joy)，树也很高兴(glad)。但是，自从(since)那时起，男孩没再出现(appear)，树很孤独(lonely)很悲伤。

15.The Apple Tree (2)

One hot summer day, the boy returned and the tree was very happy. "Come and play with me!" the tree said.

"I am sad and getting old I want to go sailing to relax myself. Can you give me a boat?" "Use my trunk(树干) to build the boat You can sail and be happy." So the boy cut the tree trunk to make a boat He went sailing and did not show up for a long time

Finally, the boy returned after he left for so many years. "Sorry, my boy. But I don't have anything for you any more No more apples for you." the tree said. "I don't have teeth to eat." The boy replied "No more trunk for you to climb on" "I am too old for that now." the boy said. "I really want to give you something ——the only thing left is my dying roots(根)." The tree said. "I don't need much now, just a place to rest. I am tired after all these years." The boy replied. "Good! Come here, please sit down with me and have a rest," The boy sat down and the tree smiled .

This is a story of everyone The tree is our parent. When we were young, we loved to play with Mom and Dad. When we grow up, we leave them, and only come to them when we need something or when

we are in trouble. Whatever, parents will always be there and give everything they could to make you happy. You may think that the boy is cruel to the tree but that's how all of us are treating(对待)our parents.

15. 苹果树(2)

在一个炎热的(hot)夏日，男孩回到树旁，树很高兴。“来和我玩吧！”树说。

“我很伤心，我开始变老了。我想去航海(go sailing)放松(relax)自己。你能不能给我一条船？”“用我的树干去造一条船，你就能航海了，你会高兴的。”于是，男孩砍下树干去造(make)船。他航海去了，很长一段时间未露面(show up)。

许多年后男孩终于回来了。“很遗憾，我的孩子，我再没有任何东西(anything)可以给你了。没有苹果给你”树说。“我没有牙齿(teeth)吃了。”男孩答道。“没有树干供你爬。”“现在我老了，爬不上去了。”男孩说。“我真的想把一切都给你.....我唯一剩下的东西是快要死去的(dying)树墩。”树说。男孩答道。“现在，我不需要什么东西，只需要一个地方(place)来休息(rest)。经过了这些年我累了(tired)。”“太好了！过来，和我一起坐下休息(have a rest)吧。”男孩坐下了，树笑了....

这是发生在每一个人身上的故事(story)。那棵树就像我们的父母(parent)。我们小的时候，喜欢和爸爸妈妈玩。长大后，便离开他们，只有在我们需要父母，或是遇到了困难(in trouble)的时候，才回去找他们。无论什么，父母却总是

有求必应，为了让你幸福(make you happy)，付出他们所有的一切(everything)。你也许觉得那个男孩对树残忍(cruel)，但我们何尝不是这样对待自己的父母呢？

16.中国的小学生

10月(October)4日星期二(Tuesday)。高夫先生来到我们班。他是克伦的爸爸。他去中国(China)商务旅行(business trip)刚回来。他有很多图片——繁忙的(busy)城市和美丽的山川(mountains)。他的图片值得一看(be worth seeing)。高夫先生来我们班为我们讲述中国人的生活。

我们得知中国的小学生(pupil)在过去(in the past)是每周上六天课，但现在他们是在周末(at weekends)休息了。他们书写(write)2000个汉字而不是(instead of) 26个字母(letter)。每个(each)汉字是一个完整的字(complete word)。他们也复习(review)功课。放学后，小学生们打篮球和排球还骑自行车。他们和我们做一样的(the same)事情。

高夫先生说一位来自中国的生意人不久要来拜访他。我们将邀请(invite)这个人来我们班。那样(in that way)，他就可以给我们讲述更多关于中国小学生的事情了。

Young men often give flowers to young women when they are in love. The tradition may have come from Turkey(土耳其).

In the 1700s in Turkey, it was quite popular for people in love to send each other baskets full of strange things. The baskets were sent secretly to the person who was receiving it. Usually, an old woman who sold flowers or fruit on the street left the basket beside the door of that person

17. Say it with Flowers(1)

Young men often give flowers to young women when they are in love. The tradition may have come from Turkey(土耳其).

In the 1700s in Turkey, it was quite popular for people in love to send each other baskets full of strange things. The baskets were sent secretly to the person who was receiving it. Usually, an old woman who sold flowers or fruit on the street left the basket beside the door of that person

17. 花语寄情(1)

恋爱中(be in love)的年轻男士经常(often)送花(flower)给女友，这个传统(tradition)可能来自(come from)土耳其。

18世纪的土耳其，热恋中的人相互赠送装满奇怪(strange)物品的篮子，这种做法在当时很流行(popular)。篮子(basket)被秘密地(secretly)送给接收篮子的人(person)。通常(usually)，由街上卖花或水果(fruit)的老婆婆把篮子送到那人的门旁边(beside the door)。

18. Learning by Doing and Going

Many of my classmates think they are forced to go to school. They say they are only interested in playing. But I love going to school, and my favorite subject is science. I like science because the experiments and field trips are exciting.

In science we do many exciting experiments in the lab. One time we made crystal form(晶形)in a bottle by using salt in water. Another time we watched how baby chicks are hatched(孵出).

We also take exciting field trips for science. We went to a museum and saw huge dinosaurs(恐龙)and tiny butterflies. On Tree-planting Day, we went to a forest and collected leaves.

It's good to play, but I would rather do experiments and go on field trips. That's why science is my favorite subject.

18. 通过做与行学习

我的许多同学认为他们是被强迫(force)去上学的，他们说只对玩感兴趣。但我喜欢上学，我最喜欢的学科(subject)是科学(science)。我喜欢科学是因为做实验(experiment)和野外(field)旅行令人兴奋(exciting)。

上科学课时，我们在实验室(lab)做许多令人兴奋的实验。有一次，我们利用水中的盐(salt)在一个瓶子(bottle)里做晶形。还有一次，我们观察小鸡(chick)是怎样被孵化出来的。

为了学习科学，我们还进行令人兴奋的野外旅行。我们去了一个博物馆(museum)，看到了巨大的恐龙还有微小的(tiny)蝴蝶(butterfly)。在植树节，我们去了一个森林(forest)并收集树叶(collect leaves)。

玩耍很好，但我宁愿做实验(would rather do experiments)以及去野外旅行。那就是我最喜欢科学课的原因。

19. 简回家太晚

简在深夜(late at night)才回家。她正要敲门，门开(open)了。她的父亲正站在门旁。他是高(tall)个子，头发(hair)都白了。“进来吧，”他说，“我都觉得冷了。”简进了家。她的母亲正在房间(room)里等她。她母亲个子很小，正坐在沙发(sofa)上，看上去脸色苍白(pale)。简的父亲把门关上了。

“那么，你上哪去了？”父亲问道，“你答应(promise)在外面不超过(beyond)11点的。现在都1点了。”

“差一刻钟(quarter)到1点”。

“那没什么差别(it doesn't make any difference)。你应该早(early)点回家的”，父亲生气的说。

“我们都非常担心(worried)，”母亲说。

“我很抱歉，”简回答，“我参加了一个聚会(party)。我没有注意到(notice)时间，”

“可你戴着手表(watch)” , 父亲说, “你妈妈和我等了那么长时间。我们不知道你在哪里。”

“我可以照顾(look after)自己” , 简回答道, “我又不是小孩了。”

这是在我们生活中经常看到的一个情形(situation)。请不要再让你们的父母为你们担心(worry about you)了!

20. My Son's Questions

Since my son was three years old, he's kept asking me “why?” about everything. Why is the sky blue? Why are there clouds? Why can't I go outside? Why do I have to be nice? Anyway, I always try my best to answer his questions.

Now my son is ten years old. At this age, the boy is interested in all kinds of things, and he's got more questions to trouble me. Do people in prison celebrate festivals? Why are dogs' noses always wet? Why are women and men's shoe sizes different? ...

These days, the boy shows interest in the facts of life, so I borrowed books from the library and prepared myself for any questions he might ask. At the end of our long talk, he still looked confused(迷惑的). “If you have any questions,” I said, “please ask them. There are no stupid questions.”

“Well. suppose I was married,” he said with shame, “my wife was going to give birth to a baby, and I had to rush her to the hospital, okay?”

“Yes,” I smiled and encouraged him to continue his question.

Then he asked, “Can go through red lights?”

20. 我儿子的问题

自从我儿子三岁起，他就一直在问我“为什么”，他要对一切事情刨根问底。为什么天空(sky)是蓝色的(blue)?为什么会有云朵(cloud)?为什么我不能去外面?为什么我必须要对人友好?无论如何(anyway)，我总会尽一切努力回答他的问题。

如今我儿子十岁了。在这个年龄，他对各种事情都感兴趣(be interested in)，他有更多的问题要麻烦我了。在监狱(prison)里的人庆祝(celebrate)节日(festival)吗?狗的鼻子(nose)为什么总是湿韵(wet)?女人和男人的鞋码(shoe size)为什么不一样呢?

这几天，这个孩子对生命是怎么回事感兴趣了，因此我从图书馆(library)借(borrow)书并准备(prepare)了他可能(might)会问到的所有的问题。在我们的长谈结束时，他看上去仍然很迷惑。“如果你有什么问题，尽管问好了，”我说，“没有愚蠢的(stupid)问题（问什么都行）。”

“好吧，假设(suppose)我结婚了(married)，”他带着羞愧(with shame)说，“我的妻子要生小孩了，我必须赶紧(rush)将她送到医院，对吗？”

“是的，”我微笑着说，并鼓励(encourage)他继续问他的问题。

然后他问道, “那我能闯红灯(go through)吗? ”

21. I Did a Silly Thing

A few years ago, when my family moved to this city, I became interested in soap-box race. That's when I discovered that “ it is far easier to start something than it is to finish it.”

Dad bought a set of tools to make a racing car for me. I just couldn't wait, and one day, while Dad was at work, I decided to have my car going. I looked at the drawings, and I said to myself, “Dude, you can do this.” I got out Dad's toolbox, and I started building. Part A fit into Part B. Part C was a little harder to connect to Part D. It was easy to fix Part E. By the time I got to Part G, I'd made a real mess(混乱) of things. I really regret having done such a silly thing.

What did I learn from this experience? Now I know that before I start something, I should know how to finish it.

21.我做了一件傻事

几年前, 我们搬到这座城市时, 我对肥皂(soap)箱(box)赛车比赛(race)产生了兴趣。就是在那时我发现(discover)了 “开始做某件事要比完成它容易得多(far easier)” (即 “开始容易结束难”) 的道理。

爸爸买了一套工具 (A set of tools) 要给我做一辆赛车(racing car)。我是急不可耐，然后有一天，爸爸在上班(be at work)时，我决定让我的小车转起来。我看着图纸(drawing)。对自己说，“都德，你可以做到。”我拿出了爸爸的工具箱，接着就开始造车了。零件A适合(fit)零件B。零件C连接(connect)到零件D就有点难度。零件E很容易安装(fix)。到我开始零件G时，我已经把事情弄的一团糟。我真的后悔(regret)做了这么一件傻(silly)事。

这次经历(experience)让我学到了什么呢？现在我知道了在我开始做某事之前，我应该知道该如何完成它。

A Call from the Secretary

Mr. Young was a boss, and he worked hard. Seldom did he have a vacation. His wife was afraid that he would get sick if he continued like that, so she suggested to him taking a vacation. At last Mr. Young agreed. But she was afraid that he might be disturbed by his company, so before they left, Mrs. Young went to see

her husband's secretary. Mrs. Young told her, " My husband needs a vacation very much, so whatever happens; please don't disturb him with letters or telephones while we are away. Just wait until we get back."

Then on a pleasant morning, after Mr. and Mrs. Young had been away about a week, when the couple was having a picnic and eating their hamburger, Mr. Young received a phone call from his secretary, she said, " Something terrible has happened to your business, but I remember what Mrs. Young told me. so I'm not going to disturb you with it now while you're enjoying your vacation Bye-bye!"

23. 秘书的电话

杨先生是个老板(boss)。他工作很辛苦，很少(seldom)休假(have a vacation)。杨夫人担心他这样工作下去会生病(get sick)。就建议(suggest)他去休假。最后，杨先生同意了。但杨夫人担心公司(company)有可能会打扰(disturb)他，因此，在他们出发前，杨夫人去会见了她丈夫(husband)的秘书(secretary)。她对秘书说：“我丈夫非常需要休息，所以我们不在的时候，无论发生了什么事，请不要打电话或写信打扰他。一切等我们回来再说。”

于是，在一个令人愉快的(pleasant)早上，那是杨先生和夫人离开大约一周后，当这对夫妇(couple)正在野餐(picnic)，吃着汉堡包(hamburger)时，杨先生接到秘书的电话，她说：“您的生意出现了严重问题。但我记得(remember)杨夫人告诉我的话，所以在您享受(enjoy)假期之时，我就不打算打扰您了，再见(Bye-bye)!”

Breakfast Is Important

One of the most important meals of the day is breakfast. People should always eat a good breakfast to keep well. Eating the right food is necessary for good health. You should eat different kinds of food in order to keep a good health

A good breakfast should include eggs, bread, milk, and so on. By eating breakfast every morning, you may feel lively in the morning's work. Stepping out into the morning air after a good breakfast will make you feel wonderful.

Without breakfast, children may not grow as fast as they should and may not study and play as well in school in the morning as they could. They may have more sickness, and when they are sick, it may take them longer time to get well than children with good health habits.

Food provides energy for the body. Without food the body operation will slow down. So you must eat breakfast to keep well and do your best each morning.

25.早餐很重要

一天中最重要的一餐(meal)是早餐。人们必须吃好早餐来保持健康(keep well)。正确的饮食是良好的健康(health)所必需的(necessary)。为了(in order to)保持良好的健康，你应该吃各种不同的食物。

优质的早餐应包括鸡蛋(egg)、面包(bread)、牛奶(milk)等(and so on)。每天吃早餐，你会感觉在上午的工作中充满活力(lively)。吃过营养全面的早餐后，走到外面(step out)呼吸清晨的空气，让你感觉(make you feel)美妙无比(wonderful)。

不吃早餐，孩子们就不会快速(fast)成长，上午在校时也无法学好、玩好。他们更容易生病，而且生病时，比起那些有良好健康习惯(habit)的孩子，可能要花更长的时间恢复身体(it may take them longer time to get well)。

食物为身体(body)提供能量(provide energy)。没有食物，身体的运转(operation)就会慢下来(slow down)。因此，要想保持健康并在每一个上午都做到最好，你必须吃早餐。

30. Why Shouldn't We Smoke?

To begin with, smoking costs a lot of money. Smokers may also have to spend more on medicine and doctor visits. Another reason not to smoke is that it is bad for people who do not smoke, Secondhand smoke(二手烟)is a serious public health risk It isn't polite for a person to smoke in front of a nonsmoker. Besides, nonsmokers usually don't like the smell left in rooms, cars, or even on a smoker's clothes!

Most importantly, smoking causes big health problems. For example, smoking makes it harder to breathe if a person has illnesses like asthma (哮喘). Smoking hurts a person's lungs (肺), causing diseases like cancer, etc.

So if you don't smoke, don't start. If you do smoke, it's time to give it up.

30. 为什么我们不应该吸烟？

首先(begin with), 吸烟(smoking)花费(cost)很多钱。吸烟者(smoker)可能还要花费(spend)更多的钱买药、看医生。

不吸烟的另一个理由(reason)是吸烟对不吸烟者有害。二手烟对公众健康来说是一种严重的风险(risk)。在不吸烟者面前(in front of)吸烟是不礼貌的。此外, 不吸烟者通常不喜欢房间内、汽车里、甚至是吸烟者衣服上的烟味。

最重要的是, 吸烟导致(cause)严重的健康问题(problem)。例如, 吸烟会让哮喘等疾病(illness)患者呼吸(breathe)更困难。吸烟伤肺, 还会导致癌症(cancer)等疾病(disease)。

所以, 如果你不吸烟, 那就不要开始。如果你吸烟, 是该戒烟(give up smoking)的时候了。

32. To Stop Two Boys from Fighting

I am sixteen years old. I have a younger brother. My brother's name is Jim. Jim is a handsome boy and sometimes very humorous, he makes me laugh a lot, and I love him and am proud of him

One afternoon I was walking from my house to the store to buy some ink when I saw a small boy running along the street towards me. He was running at a high speed. When he came near me, I was surprised to see it was Jim

"Hi, Jim," I shouted to him, "why are you running like that?"

Jim didn't stop. He looked a bit nervous, and shouted to me, "I'm trying to stop two boys from fighting."

I was surprised again I laughed and said, "That's an important job for a little boy, isn't it? You don't do things like that very often. Who are the two boys?"

"They're Tom and me," answered Jim as he continued running down the street very quickly.

32.制止两个男孩打架

我十六岁，我有个弟弟 (younger brother)，名叫吉姆。吉姆是个英俊的 (handsome) 男孩，有时还特别幽默 (humorous)，逗得我笑 (laugh) 个不停。我很爱弟弟，为他感到骄傲 (be proud of him)。

有一天下午(afternoon), 我从家里出去到商店(store)买墨水(ink). 这时见一个男孩沿着(along)马路朝(toward)我跑(run)来, 男孩以很快的速度(at high speed)跑着, 跑近时, 我惊讶地发现竟是吉姆。

“嗨, 吉姆, ” 我朝他喊道, “你干嘛跑那么快? ”

吉姆没有停下脚步, 他看上去有点紧张(a bit nervous), 他对着我喊道, “我在设法阻止两个男孩打架(stop ... from fighting)。”

我还是很奇怪, 我笑着说, “小男孩能这么干可真是了不起, 这事你可干得不多。这两个男孩是谁呀? ”

“汤姆和我, ” 吉姆边回答边飞快地沿街跑去。

34.Jimmy and His Son's Funny Stories

Jimmy is our new neighbor. He speaks with strange accent, but we like to talk with him. He told me an interesting story about himself.

He said he liked growing flowers in his garden in his spare time. And one Sunday morning, after breakfast he put on his old clothes and began digging in his garden. He dug and dug. After half an hour he suddenly found a coin near his foot. He put it in his right pocket. A few minutes later, he found another one. He put it in the same pocket, too. The same thing happened for the third, the fourth and the fifth time. He was very happy and told his wife about it. She was very

happy, too. She said, "A thief(小偷) stole a lot of coins from a shop a few days ago. The police caught him but they didn't find any coins."

Then Jimmy went on digging and found some more coins, but just when he began to dig, he felt something cold in his trousers. It ran down one of his legs. He put his hand down quickly ——and the coin came into his hand. Now he knew there was a hole in his pocket.

Jimmy also told me something even funnier about his son, Jack. One day he took his son Jack to a boy's clothing shop. That shop was giving away (赠送) balloons to buyers' children. Jack asked if he might have two balloons. "Sorry," the salesperson said, "but we give only one balloon to each child. Do you have a brother at home?" Jack was always honest. He didn't tell lies, but he wanted another balloon badly. "No," he replied regretfully, "but my sister has a brother, and I'd like one for him."

What a lovely boy Jack is!

34. 吉米和他儿子的有趣故事

吉米是我们的新邻居。他讲话带着奇怪的口音(accent), 但我们喜欢和他交谈。他告诉过我一个关于他自己的有趣故事。

他说他喜欢在空闲的(spare)时间在他的花园(garden)里种花。一个星期天的早上, 吃过早饭后, 他穿上(put on)旧衣服, 就在花园里开始挖土。他挖啊挖, 半个小时后, 突然他发现脚边有一枚硬币。他把硬币放进右边的衣服口袋里。

几分钟后(a few minutes later), 他又发现了另一枚。他还是放入同一个口袋。相同的事情又发生了, 第三次、第四次、第五次。他非常高兴, 然后告诉了他的妻子。她也很高兴, 她说, “几天前有个小偷从一家商店里偷走(steal)好多硬币。警察(the police)抓住(catch)他但没找到硬币。”

然后吉米继续挖(go on digging). 找到了更多的硬币, 但就在他开始挖掘时, 他感觉有什么凉凉的东西掉进他的裤子里。这个东西顺着他的腿往下滑。他迅速放下手——硬币在他手上了。现在他知道了他的口袋里有个洞(hole)。

吉米还告诉我一个更有趣的(funny)故事, 是关于他儿子杰克的。一天, 他带着儿子杰克去一家男孩服装店。那家店铺正在给顾客的孩子赠送气球(balloon)。杰克问是否他可以得到两个气球。 “对不起, ” 销售人员说, “每个孩子我们只给一个。你家里有弟弟吗?” 杰克一直是诚实的(honest)。他不说谎话, 但他非常想再要一个气球, 于是他颇感遗憾地说, “没有, 但我姐姐有一个弟弟, 我想为他要一个。”

杰克真是个可爱的男孩!

35. At Sea in a Small Boat

People have sailed around the world in quite small boats. It is not an easy thing. Sometimes the weather goes bad. That will be the end of a boat; and the end of everyone in it. Accidents can happen easily and quickly.

One family had an accident with a big fish. The fish swam under their boat and bit(咬) holes in it. The water came into the boat, of course; and the boat soon went down. However, these people had another, smaller boat——a life-boat(救生艇); and they all got into that. They lived and hoped for many days. They woke and slept, and they always hoped... At last a ship found them.

How do people live in a very small life-boat? Perhaps for weeks or months. They must be strong in every way. They must have hope——they must want to live. But you cannot eat and drink hope.

You cannot drink sea water. Drink a lot of sea water——you will quickly die. Sailors (水手) can drink rain water. They must catch rain water in their boat. They must also catch fish and birds for food. Lifeboats do not often carry a cooker; and so the sailors cannot cook their food. Raw(生的) fish and bird-meat is not very nice. But there won't be any choice in a life-boat! The sailors must eat raw food or they will die.

What do people think about in a life-boat? They think about land, a warm bed, dry clothes, clean water and food.

35. 乘小船在海上

人们曾在很小的船上周游世界。那可不是一件容易的事。有时天气(weather)变坏。那将是小船的末日。也是船上每个人的末日。事故(accident)发生地报容易也很快。

有个家庭曾遭遇过一条大鱼(fish)导致的事故。那鱼游到他们的船下咬了几个洞。水涌入船里，当然，船很快下沉了。然而，这些人还有另一个更小的船——救生艇，他们都上了那艘救生艇。他们期盼(hope)着坚持了许多天，他们醒了(wake)又睡(sleep)，却总是怀着希望……最后一艘轮船(ship)发现了他们。

人们在这么小的船里怎么生活呢？很可能度过几周或数月。他们必须在各个方面都很坚强。他们必须有希望——他们必须有活下去的愿望。但你总不能吃喝希望吧。

你无法喝海水，喝大量海水后人很快就会死亡。水手可以喝雨(rain)水。他们必须接雨水存在船里。他们还要捉鱼和鸟当作食物。救生艇里一般不会有厨具(cooker)，因此水手们不能烹饪食物。生鱼和鸟的肉味道不是很好。但在救生艇上别无选择(choice)！水手们必须吃生的食物，否则(or)他们只有死路一条。

在救生艇里人们又会想些什么呢？他们想念陆地(land)、温暖的床(bed)、干爽的(dry)衣服、干净的水和食物。

36. A Careless Couple

Mr. and Mrs. Long have a poor memory, and they are also very careless. Compared with the careless parents, their daughter Linda

is quite different. Linda is very careful in doing things. If Mr. and Mrs. Long can act carefully and remember to check their work, they'll not cause so much trouble in their life.

One summer they plan to fly to New York for a visit. They get to the airport only ten minutes before the plane leaves. So time is short. But suddenly Mrs. Long says she must tell Linda, their daughter, not to forget to lock the front door when she leaves for school in the morning. As Linda is then at school, they can't reach her on the phone. So the couple hurries to the post office. Mrs. Long writes a short note to Linda, while Mr. Long buys a stamp and an envelope (邮票). Soon the note is ready. They put the stamp on the envelope and drop it in the letter box in a hurry. But suddenly Mrs. Long begins to cry. The short note to her daughter is still in her hand. She has put their plane tickets in the envelope!

36. 粗心的夫妇

朗夫妇记忆力(memory)都不好, 而且他们很粗心(careless)。与这对粗心的夫妇比较(compare), 他们的女儿(daughter)琳达却迥然不同。琳达做事很细心。如果朗夫妇能行动(act)细心, 并记得检查(check)做过的事, 他们就不会在生活中惹那么多的麻烦了。

有一年夏天, 他们打算乘飞机(fly)到纽约去旅游。他们在飞机(plane)起飞前10分钟才到达机场(get to the airport), 所以时间很仓促。忽然朗夫人说她必须告诉女儿琳达早上去上学时别忘记锁(lock)前门。因为琳达那时还在学校,

所以他们无法给她打电话。于是，夫妇俩急忙赶到邮局(post office)。朗夫人写便条(note)。朗先生去买邮票(stamp)。很快便条准备好了(ready)，他们忙乱地在信封上贴上邮票，然后投进(drop)邮筒。但突然间朗夫人哭了起来，原来给女儿的便条还在她手里，而他们的飞机票却被塞进了信封！

37. Protecting Your Teeth

George Washington had many great successes in his life, but he didn't succeed in keeping his own teeth! Back then, many people lost their teeth, But modern people know how to protect their teeth

The most important thing is to brush your teeth By keeping the teeth clean you will not have a toothache or other tooth disease

One other important thing is to eat right. For example, milk and cheese give teeth calcium(钙), which they need to be strong. Fruits and vegetables also help by providing VA and VD. On the other hand, sweet food is bad for teeth

So brush your teeth and eat right. They are the basic things you should do to protect your teeth. If you do the things, you'll be able to have good teeth for your whole life. That's one success that even George Washington didn't have!

37. 保护牙齿

乔治·华盛顿在他的一生中取得很多成功(success)，但他却没有成功(succeed)保养好自己的牙齿！那时很多人的牙齿都脱落了。但现代人知道如何保护(protect)牙齿。

最重要的事是刷牙。让牙齿保持清洁，你就不会害牙疼(toothache)或得其他牙病。

另一件重要的事是正确饮食。例如，牛奶和奶酪(cheese)可以提供钙，牙齿要坚硬需要钙。水果和蔬菜(vegetable)提供的维A和维D也对牙齿有帮助。另一方面，甜的(sweet)食物对牙齿有害。

因此，要刷牙、正确饮食。要保护牙齿，这些是你应做的基本的(basic)事情。如果你这样做，你的一生(your whole life)都会拥有好牙齿，那可是乔治·华盛顿都没有获得的成功哦！

38. American classroom Rules (1)

1. If the teacher asks a question, you should give an answer. If you do not understand the question, you should raise your hand and ask the teacher to repeat the question. If you do not know the answer, it is all right to tell the teacher that you do not know. Then the teacher knows what you need to learn

2. There is no excuse for not doing your homework. If you are absent, you should call your teacher or someone who is in your class and ask for the homework. It is your duty to find out what homework you

have missed. It is not the teacher's duty to tell you the missing homework.

3. You must not be absent on a test day. Serious illness is the only reason for missing a test.

4. Be on time! It is considered not polite to be late* Also, it disturbs other classmates. If you must come in late, be sure to do it quietly. In the U. S it is not necessary to knock before you enter the classroom. Most of the teachers will give you a low grade if you are often late.

38. 美国课堂行为守则(1)

1. 如果老师(teacher)提问题，你应该回答。如果你不明白问题，你应该举手(raise your hand)让老师重复问题。如果你不知道答案，可以告诉老师你不知道。老师会知道你需要学习什么。

2. 不可以找借口(excuse)不做家庭作业(homework)。如果缺席了(absent)，就应该给老师或听课的同学打电话，问作业。查明(find out)缺课时的作业是你的责任(duty)。老师没有责任要提醒你作业。

3. 考试那天你不能缺席。患重病是唯一可以缺考的理由。

4. 要准时(on time)!迟到被认为是不礼貌的。而且，这也会打扰其他同学。如果你不得不迟到，一定要安静地(quietly)进教室(enter the classroom)。在美国，进入教室前不必敲门。如果你经常迟到，多数老师会给你低分(a low grade)。

41. A Cockroach in Our Classroom (1)

What would you do if you found a cockroach in your classroom? Would you cry? Would you laugh? Or would you just sit there and do nothing? In my class we did all those.

Suddenly I heard a terrible cry from one of the girls. My heart missed a beat. I heard another cry. I am now thinking to myself "what is going on" ! Then there it was! It was at least an inch and a half long, just a little cockroach! Now this was the first time I had seen in real life, but from all the pictures and the movies I had seen in the past, I could tell it was a cockroach.

My teacher quickly ran to fetch some paper towels. To be honest, I didn't think that window cleaner could help. I was wrong. The little cockroach got a big drop of "The Window Cleaner", and lying on the floor, did not move.

41.教室里出现一只蟑螂(I)

如果发现你的教室里有一只蟑螂你会怎么做？你会大叫吗？会大笑吗？或者你只是坐在那里什么也不做(do nothing)吗？在我们教室里，以上种种行为全都有。

突然间我听到一个女孩的可怕的叫声。我的心跳(beat)停了一下。我又听到一声喊叫。我心想(think to oneself) “发生什么事了(what is going on)”，接着我看到了！是一只至少(at least) 一英寸(inch)半长的小蟑螂！这是我第一次在真实的生活中看到。以前在图片里和电影(movie)里看到过，因此我知道那是一只蟑螂。

我们的老师快速跑去拿来(fetch) 一些纸巾(paper towel)。说实话(to be honest)，我本以为窗户(window)清洁剂不会起什么作用，但我错了。这只小蟑螂被淋了一大滴“窗户清洁剂”，躺在地板上(lie on the floor)，不动(move)了。
