

1、A Journey across Canada

穿越加拿大之旅

After a **quiz** (考试) last autumn, Kuang crossed the **continent** (大陆) **eastward** (向东) to Toronto to visit his **schoolmate** (同学), the **distance measuring** (距离测量) **approximately** (大约) 5,000 kilometers,

His train started from Vancouver, a city **surrounded** (围绕) by mountains. After **confirming** (确信) his **baggage** (行李) was **aboard** (在...上) the train, Kuang **settled down** (安定下来) in his seat. **Having a gift for** (对..有天赋) communication, he started **chatting** (聊天) with another passenger **within** (在..之内) 5 minutes. Their **topics** (话题) included the **Canadian traditions** (加拿大传统), the **Prime Minister** (总理), the **mixture** (混合) of races, and the **terrifying** (让人心惊胆战) Great Falls. After a nice **buffet** (自助餐) at noon, he was **pleased** (很高兴) to find that the **scenery** (风景) was **impressive** (印象深刻). He saw beautiful **harbours** (海港) **in the distance** (远处), **wealthy urban** (富裕的市区) areas and **maple** (枫林) forest that covered thousands of **acres** (英亩). He even **managed to catch sight of** (设法看见) an **eagle** (鹰) flying **upward** (向上) over **bushes**

Kuang reached Toronto which lies slightly (黎明) near the border (边界) at a misty dawn (雾蒙蒙的黎明). There was frost (霜) and the broad downtown (宽阔的市中心) streets were very quiet. Though it was early, Kuang phoned his schoolmate in a booth nearby (附近的电话亭) at once rather than (不愿) waiting for him to come. They had a **good time together**.

翻译:

去年秋天的一次考试后，光 向东横穿整个大陆，来到多伦多探望他的同学，这次旅行的距离测量起来大约有五千多公里。

他的火车从群山围绕的温哥华启程。在证实了自己的行李都在火车上之后，光就在座位上安坐下来。因为在与人交流方面有天赋，他在 5 分钟内就和另一个乘客聊起天来。他们的话题包括加拿大的传统、加拿大的总理、种族的混合，还有让人心惊胆战的大瀑布。中午吃了一顿美味的自助餐后，他很高兴发现外面的风景非常让人印象深刻。他看见了远处美丽的海港、富裕的市区，还有延绵几千亩的枫树林，他甚至还设法看见了一只在灌木丛上空翱翔的鹰。

光在一个薄雾笼罩的黎明到达稍稍接近边境的多伦多，地上有霜，宽阔的市区街道很安静。尽管还很早，光却不愿等待，立刻就在附近电

10.An Interesting Festival (有趣的节日)

The Agricultural Feast (农业盛会) takes place (举行) after the Independence (独立) Day. It is not a worldwide celebration. (全球庆典)
Only Christians (基督徒) in Mexico (墨西哥) look forward to (期待) its arrival (到来) for its religious origin (宗教起源)

Long ago, humans' ancestors (祖先) were bad. They fooled (欺骗) and played tricks on (耍花招) each other and never kept (遵守) their word. (诺言) So God turned up (出现) and drowned (淹死) all their crops. Humans starved (挨饿) day and night, (日夜) weeping (哭泣). In order to gain (获得) God' s forgiveness (原谅), a woman poet set off (诗人出发) to see God. She admired (赞美) God and kept apologizing (道歉). God was moved. With his permission (允许), humans finally had good harvests (丰收) again. So, to wipe sadness (抹去忧伤) and remind (提醒) themselves of (对) the belief (信仰) in God, people began the festival.

On the festival, people gather (聚集) in open air, such as playgrounds or parking lots (停车场), and energetically (精力充沛) have fun with (玩的开心) each other all night long (通宵达旦), as though (似乎) they were never tired. When a beauty dressed up in lovely clothing (盛装打扮) reads

poems in memory of (纪念) the poet, everyone holds their breath (他们屏住呼吸) . Then, it is the custom (风俗) that the bone (骨头) of a rooster (公鸡) head is given to her as an award (奖励) .

Obviously (很显然) , the story is not true, but the festival is interesting.

翻译:

农业盛会在独立日后举行。它不是一个世界性的庆典，由于它的宗教起源，只有墨西哥的基督徒才盼着节日的到来：

很久以前，人类的祖先很坏，他们互相欺骗，耍诡计，从不遵守诺言。于是，上帝出现了，淹死了他们所有的作物。人们日夜挨饿，哭泣着。为了获得上帝的原谅，一位女诗人出发去见上帝。她对上帝的赞美和怀有的歉意感动了上帝，有了他的允许，人类终于又获得了丰收。因此，为了抹去忧伤并提醒自己对上帝的信仰，人们开始举办这个节日。

在节日那天，人们聚集在露天场所，例如操场或停车场，通宵达旦地玩得非常开心，精力充沛的人们似乎不知疲倦。当一位用可爱的衣服

15.Balanced Diet (均衡饮食)

Wang Peng earned his living (谋生) by running a barbecue (烧烤) restaurant, which served delicious bacon (腊肉), fried (油炸) chicken breast (胸) and mutton (羊肉) roast (烤制) ed with pepper (辣椒) and garlic (大蒜). But his food and discount (打折) attracted fewer and fewer customers (顾客). Finally, he was in debt (负债累累). Yong Hui's slimming (减肥) restaurant served fresh peas (豌豆), carrots (胡萝卜), eggplants (茄子), and raw cucumbers (生黄瓜) with vinegar (用醋). As the hostess (女主人), she said fibres (纤维) benefited (有利于) customers' digestion (消化) the most. In order not to let Yong Hui get away with telling

Lies (说谎不受惩罚), Wang Peng spied on (探查) Yong Hui despite her glare (怒目). But he was surprised that she was losing her customers, too.

Curiosity (好奇心) drove Wang Peng to consult (咨询) an expert. The expert sighed (叹息) and said, "Both of your menus have weakness (缺点) and limited strength (优点有限). Your customers put on weight (发胖) too easily, while Yong Hui's lose weight (减肥) too quickly. So, Wang Peng, cut down (减少) the fat of your food and increase vegetables and

fruits, like nuts (坚果) , beans (豆类) , mushrooms (蘑菇) , peaches (桃子) and lemons (柠檬) . You ought to combine (应该结合) the two menus and provide a balanced diet (平衡膳食) ."

Before long (不久) , Wang Peng won his customers back.

翻译:

王鹏经营一家烧烤餐厅来谋生，他的餐厅供应美味的腊肉、油炸的鸡胸，还有用辣椒和大蒜一起烤制的羊肉。但是，他的食物和折扣吸引的顾客越来越少，最后是他负债累累。永慧的减肥餐厅供应的是新鲜的豌豆、红萝卜、茄子和醋腌的生黄瓜。作为老板娘（女主人），她总是说食物纤维才最有利于顾客的消化。为了不让永慧说了谎不受惩罚，王鹏不顾她的怒视，前去探查个究竟。但是让他惊奇的是，永慧的顾客也在严重地流失。

好奇心驱使王鹏去咨询专家。那位专家叹息着说：“你们俩的菜单都缺点明显、优点有限。你的顾客很容易就发胖，而永慧的顾客体重却减轻得太快。所以嘛，王鹏，你要减少你的食物中的脂肪含量，增加蔬菜和水果，例如坚果、豆类、蘑菇、桃子和柠檬之类。你应该把两份菜单结合起来，给顾客提供平衡的膳食。”

不久，王鹏就赢回了他的顾客。

19. A Misunderstanding (一场误会)

In general (通常来说), spoken statements (口头表达) are the major (主要) way of communication, but body language and facial (面部) expressions also have such kinds of function (功能). For example, yawning (打哈欠) means being not interested and turning one's back to (背对别人) someone or swinging your fist (拳头) shows your anger (愤怒). But what those gestures really mean is subjective (主观) in different cultures. Thus, misunderstandings (误会) happen now and then in today's world of cultural crossroads. (交叉)

Once, representing (代表) the Adults' (成人) Education Association (协会), I went to the airport to meet an official of high rank (级) from Columbia (哥伦比亚) and take him to his dormitory (宿舍) and then to the canteen (餐厅). After the flight (航班) arrived, I saw a man looking around curiously (好奇地). So I approached to (走上前去) greet (打招呼) him. He suddenly dashed (猛然) to hug (抱我) me and kissed me on both cheeks (脸颊). As a young girl, I felt truly (真) embarrassed and put up my hands to defend (保护) myself. His false (假) smile told me that he had lost face (丢脸).

Later, I received a cassette (磁带) from him, in which he recorded his apology. On hearing that Columbians were more likely to (倾向于) kiss others, I soon felt at ease (轻松安心) .

翻译:

通常说来，口头表达是人们交流的主要方法，但是肢体语言和面部表情也有这种功能。例如，打哈欠意味着不感兴趣，背对别人或向其挥舞拳头表达的是愤怒。但是在不同的文化中那些手势表达的真正意思是很主观的。由此，误会就时不时地发生在今天这个文化交叉碰撞的世界里。

有一回，我代表成人教育协会到机场去接一位从哥伦比亚来的高级官员，我得带他到宿舍和食堂。当他的航班到达时，我看见一名男子好奇地东张西望，于是走上前去和他打招呼。他突然猛冲过来拥抱我，还亲了我的脸颊。还是个年轻姑娘的我感到真尴尬，不由自主举起手来保护自己。他的假笑告诉我他感到丢了面子。

后来，我收到他送来的一盒磁带，里面录了他的道歉。当听到这只是因为哥伦比亚人更倾向于见面时互相亲吻时，我很快就感到轻松安心了。

20.A Unique Theme Park

独一无二的主题公园

As soon as our shuttle got close to the theme park by the freeway, everyone came to life and put on cloth sneakers in advance for an outing. Our translator paid for the admission, and we started enjoying the various attractions in the sunlight.

According to the travel brochure, this unique park is famous for its well preserved minority culture. We experienced many deeds of the early settlers, such as swinging across rivers, hunting creatures in the jungle, or taking part in swords fighting tournaments.

This park is also famous for its wooden souvenirs. Whichever we bought in the central shop was made of wood, and wherever we went we could see minority carpenters working. They made wooden tools, wooden

cartoon figures, wooden athletic products and so on. They even built a huge wooden engine with a length of 20 metres, which was modeled after a real one.

This theme park is really a fantasy amusement park. No wonder it has become the brand of local tourism.

我们走高速公路的来往穿梭巴士—接近主题公园，大家都活跃了起来，并且提前穿上了布鞋，做好这趟外出旅游的准备。翻译付了入场费后，我们就开始在阳光下欣赏各种各样吸引人的东西。

根据旅行手册的介绍，这个独一无二的公园因其得到良好保护的少数民族文化而闻名。我们体验了许多早期定居者所做的事，如荡过河啦，在丛林中猎杀动物啦，或者参加剑术比赛啦等等。

这个公园还因为它的木制纪念品而闻名，我们在中心商场购买的任何一件物品，都是用木头制作的，无论我们走到哪里，都可以看见少数民族的木匠们在忙碌。他们制作的有木制工具、木制的卡通人物、木制的运动用的产品，等等等等。他们甚至还根据一台真实发动机仿造了一台长度有 20 米的木制发动机。

这个主题公园真是充满幻想的娱乐公园，怪不得它成为当地旅游业的一个

品牌。

21.A Strange Disease 奇怪的疾病

When the construction of the firework factory came to the stage of painting, a pump was put in. Then, all the painters in the neighbourhood were defeated by a severe disease whose characteristic was alike to that of a bad burn.

An expert physician was instructed to attend to the victims and handle this case. He was enthusiastic, but he didn't foresee that it was a hard challenge. After simple enquiry, he announced that the polluted paint was to blame. But without positive evidence, people suspected and rejected his view, saying the theory he put forward made no sense. Being much more strict with himself, he contributed himself to the case. Apart from making enquiries, he made detailed charts and analysed the data cautiously. Finally, he drew a scientific conclusion, linking the disease to the radium in the pump. Exposed to radium, a kind of radioactive material in the universe, people absorbed radiation and got sick immediately.

Spinning the pump backward, he took away the radium. This simple

movement cured all the victims.

当那座烟花工厂的建设到了油漆阶段时，一个水泵被安装进来，接着，在它附近的油漆

工都得了一种严重的疾病（疾病击败油漆工），其特征与烧伤相似。

一位经验丰富的内科医生被指定去照顾受害者并负责处理这一案例。他热情地投入到工作中，但是却没有预见到这是一次艰难的挑战。在简单的询问后，他就宣布说罪魁祸首是受污染的油漆（油漆应受责备）。但是没有确实的证据，人们很怀疑并拒绝他的观点，大家都说他提出的理论毫无道理。他对自己要求更加严格，全身心地投入。除了询问，他还制作了详细的图表，谨慎地分析各项数据，最后，他终于得出了一个科学的结论，把疾病和水泵中的镭联系起来。镭是宇宙中的一种放射性物质，当暴露在镭的辐射中时，人体吸收其射线，立刻染上疾病。

他把水泵向后旋转，拿走了里面的镭，这个简单的动作治愈了所有的受害者。

22.Sightseeing in the United Kingdom 观光联合王国

After the wedding, my cousin and his wife went to the United Kingdom for nationwide sightseeing. He faxed a letter to me in English

yesterday. To my **delight**, he no longer made any **tense error**. And his **description** **roughly** **clarified** my questions about the UK--its **currency**, its **administration**, the **institution** which **divides** it **into** four **provinces**, and the historical **conflicts** and **quarrels** when Southern Ireland **broke away from** the UK.

Unwilling to **leave out** any attraction, my cousin **arranged** his **enjoyable** journey carefully. One **attractive** place he visited was a castle in the **countryside** of Scotland, which lies near a **port**. It used to be the headquarters (请注意：音频里面是 headquarter，没有加 s，是不对的。) of the **Communism Union** but **broke down** during the war. Finding nothing could **take the place of** this **splendid architecture**, people **accomplished** rebuilding it in 1952. It was **to their credit** that all **furnished** rooms are **consistent** with what they used to be. My cousin was **thrilled** by its **collections** consisting of **statues** **plus** **royal uniforms** **folded** in glass tanks. Though there was no **possibility** to buy some of these exhibits, it was **convenient** to take photos, which he sent me along with his fax.

我的表弟和他妻子在举办了**婚礼**后到**联合王国**做**全国旅游观光**去了。他昨天**传真**了一封英文信给我，让我**高兴**的是，他再也不犯**时态错误**了，而且他的**描述**

也**粗略地**向我**阐明**了关于英国的一些问题——它的**货币**啦，**行政管理**啦，**把它分成四个行政区的制度**啦，还有在南爱尔兰**脱离**联合王国时发生的一些历史上的**冲突**和**争拗**。

因为**不愿意漏掉**任何一个景点，我表弟仔细地**安排**了他**愉快的**旅程。他参观的其中一个**吸引人的**地方是苏格兰**乡村**的一个城堡。城堡靠近一座**港口**，曾经是**共产主义联盟会**的总部，但是在战争中**倒塌**了。人们发现没有任何东西可以**取代**这座**辉煌的建筑**，于是在 1952 年**完成**了重建。**值得赞扬**的是，所有**配备家具**的房间都和它们过去**一致的**。由**雕像加折叠**在玻璃柜里的**皇家制服**组成的**收藏品**使我表弟**震撼**不已。尽管没有**可能**购买这些展览品，拍照却很**方便**，他在传真中一起发给了我。

23.An Air Crash 飞机失事

I was a **previous typist** in a post office. Because I couldn't **tolerate** typing any more **postage** bills or **postcodes** on a **typewriter** every day, I resigned. With a **greedy motivation** of making big money, I **took up** working as a business **representative** for the G.E **Ecology** Company, which produced **goods** by **recycling** useful **materials** from our **dustbins**. My new job left me good **impressions** in many **aspects** except that the working

timetable was full of traveling by jets.

Once, when speeding up, our jet was swallowed by a thunderstorm, which destroyed our GPS receiver and made us lose sight of the directions. A constantly flashing light showed that our jet was in danger. A steward instantly asked us to put on masks and fasten the safety belts, and then pressed a button to switch on the escaping capsule. It slid sideways out of the opening at once and landed in a desert area safely. Lacking food and tablets, we were nervous and uncertain at first. But we all kept optimistic and made good adjustment to the situation. We swept up the surrounding mud to make our settlement and were back on our feet soon. Finally, guided by the smoke of our crashing jet, some local citizens came by carriages and saved us.

我以前是一家邮局的打字员，因为忍受够了每天在打字机上打邮资账单或邮政编码，我辞了职。带着想挣大钱的贪婪动机，我开始给一家叫 G.E 生态公司的企业当商务代表，这家公司通过回收我们垃圾箱里的有用材料生产商品。我的新工作在多方面都给了我很好的印象，除了一点：乘飞机旅行挤满了我的工作时间表。

有一次，我们的喷气飞机在**加速**时被一场雷暴**吞没**，不仅损坏了 GPS 信号**接收器**，还使我们**看不见**方向。一盏**持续闪亮**的灯说明我们的飞机正处在危险中。一名**乘务员立刻**让我们戴上**面罩**、**系牢安全带**，接着**按下**一枚**按钮** **打开**逃生**仓电源**，逃生仓马上**侧着滑出出口**，安全降落在一片**荒凉的**地区。因为**缺少**食品和**药品**，我们一开始都又紧张又**心里没底**，但是我们都保持**乐观**，做好**调整**适应这一新境况。我们**打扫**干净**周围的泥土**，**安顿**下来，很快就**恢复**过来。最后，在我们坠机烟雾的**指引**下，一些当地的**居民**搭乘**马车**到来，我们都获救了。

24.An Amateur Journalist 业余记者

Jane is a **housewife**, but **delighted** to work as an **amateur journalist**. It is a **dilemma** for her to rush between family and work, and it is also **unusual** for the News **Department** to **depend on** an amateur to cover **crimes**. But Jane is really **gifted**. It is **admirable** that she is seldom **accused of** making mistakes. And, **eager** to become more **professional**, she **concentrates on** her job and **updates** herself now and then.

Once she is **informed** of a new **case**, her normal working **process** is as follows: first, she makes **appointments** with **guilty** people for interviews. **So as to** **acquire** **accurate** stories, she usually **demand**s to record what

they say. **Meanwhile**, a **technically** good **colleague** will **assist** her in taking **photographs**. Second, she **assesses** whether they are **deliberately** hiding the truth. If she is **skeptical** about their words, she will look into the case herself. Third, she writes **thorough** stories ahead of the **deadline** and **submits** it to the **senior chief editor**, who **polishes** and **approves** every **section**. Finally, her stories will be **published** in different **editions** of their magazine.

简是一名**家庭主妇**，但却非常**乐意**做一名**业余记者**。在家和工作之间奔波总是使她**左右为难**，而且对于新闻**部**来说，**依靠**一名业余人员来报道**罪案**也是**不同寻常的**，但是简真的很**有天赋**，**让人钦佩的**是她极少**因为犯错而受到责备**。因为**渴望**做得更加**专业**，她**全神贯注于**工作，且时不时地就**提升**自身的业务水平。

一旦接到新**案子的通知**，她通常的工作**程序**如下：首先，她和**有罪的人**约了作采访。**为了获得准确的**新闻，她通常**要求**做录音，**同时**，一位**技术上**好的**同事**会**协助**她**拍照**；接着，她对受采访的人是否有**故意**隐瞒真相作出**评估**。如果她**怀疑**他们的话，就会亲自调查案件；然后，她在截稿**期限**前写出**详尽的**报道，**呈交**给**高级主编**，由他对每个**部分**做**润色**和**批准**；最后，她的新闻就**发表**在杂志的各个**版本**中了。

25.First Aid

急救

A boy fell ill. His organs were damaged by the radiation of an infrared ray stove. But before the ambulance arrived, a number of other injuries happened to this unlucky boy over and over again. First, he was choked by some poisonous liquid from the kettle on the cupboard. Then his wrist skin was burnt by electric shock. Finally, his ankle was cut by a pan.

Fortunately, the boy's nurse gave him proper temporary treatments according to his complex symptoms. She mildly squeezed the poisonous liquid out of his throat and put bandages firmly in place to apply pressure to the ankle wound to stop bleeding. As for the burn, she used scissors to remove his sleeve, poured a basin of cold water over the burn to cool it and put her hands on a damp blouse to cover his swollen tissue tightly. She also inspired his bravery to fight against the unbearable pain. Her first aid made a vital difference in saving his life. A ceremony was held to honour the nurse who overcame a variety of

barriers to save the boy.

有个孩子病倒了，他的体内器官被一台红外线烤炉的放射线灼伤了。但是在救护车到来前，这个不幸的孩子身上还一而再、再而三地发生了许多别的伤害。开始是被橱柜上水壶里的有毒液体噎住，然后是手腕的皮肤被电击烧伤，最后，一只平底锅还割伤了他的脚踝。

幸运的是，男孩的保姆根据他的复杂症状给予了适当的临时治疗。她轻轻地从他喉咙里把有毒液体挤了出来；并在脚踝合适的位置紧紧扎上绷带，施加压力使伤口的流血止住；对于烧伤，她用剪刀剪去他的袖子，倒了一盆凉水给烧伤位置降温，并找来一件湿的女式衬衫紧紧盖住他肿胀的皮肤组织。此外，她还激发起他的勇敢和难以忍受的疼痛做斗争。她的急救在挽救他生命中起了至关重要的作用。人们举办了一场典礼来表彰这位克服各种障碍挽救了男孩的小保姆。

26.Abstract Art

抽象艺术

Abstract art used to be controversial. On one hand, the artists stopped painting delicate figures but attempted to adopt special techniques to give people different visual impacts. On the other hand,

their works, including sculptures carved out of marble or fragile clay, were all with a specific aim of showing feelings. Some conventional scholars who were allergic to abstract art said it was evidently ridiculous and neither art nor geometry. Their Traditional Art Committee predicted its soon disappearing.

But nowadays, abstract art has become part of the permanent possessions of contemporary civilization. Galleries along the Madison Avenue give scores of superb exhibitions on typical abstract works, appealing to many who have a preference for abstract art. The Shadow of Egypt, a café in this district, has become the home to those aggressive abstract artists. Consequently, it is not a coincidence for you to meet one of these artists of great reputation in the flesh. They are asked for signatures and given bunches of fragrant flowers plus they are given a great deal of praise by their faithful fans.

抽象艺术曾经颇受争议，一方面，抽象艺术家们不再画精致的画像，而是试图采用特别的技巧给人们以不同的视觉冲击；另一方面，他们的作品，包括用大理石和易碎的粘土雕刻出来的雕像，都以表达感情为其明确的目的。有些对抽象艺术反感的传统学者说抽象艺术是极其明显地荒谬可笑，说它既不是艺术，又不

是几何学，他们的传统艺术委员会还预言了它的迅速消失。

但是到了今天，抽象艺术已经成为当代文明永久财产的一部分，麦蒂逊大道的画廊为典型的抽象艺术作品举办了许多出色的展览，吸引了许多对抽象艺术有偏爱的人。这区有家叫埃及之影的咖啡馆已经成为那些有进取精神的抽象艺术家们活动的根据地，所以，亲眼见到一位名声极大的艺术家本人并不是什么巧合的事，他们被忠实的崇拜者索取签名，并被给予成束的芬芳花朵和大量的赞扬。

27.A Russian Poem 俄国童谣

Since childhood, Anton had often recited poems, accompanied by pianists and violinists, at wedding ceremonies before brides and bridegrooms exchanged rings. Gradually, he found writing poems the most appropriate way to convey his joy and sorrow. When his poem Contradictory Blank won him a national championship and a scholarship to the Moscow University from a sponsor, he was just an unknown librarian. After getting his diploma, he devoted his life to writing poems. Using concrete but flexible language and the minimum of words is his style. He tried out different patterns and preferred nursery rhyme in particular. The following is a translation of one of his works

made up of 3 sections:

Little sparrow with heavy load, Ran out of energy and very cold; No compass and all sweat salty, Can you go through the endless darkness? Little balloon let out by the thread, Flew over cottages and was very glad; With warmth transformed from sunlight, He said he could forever fly; Take it easy, little balloon; Don't tease the sparrow with his wound; On the bare branch and have a rest; This diamond heart will eventually get success.

从童年时起，安东就常常在钢琴师或小提琴师的伴奏下在婚礼上朗诵诗歌，为新郎新娘交换戒指前的仪式助兴。渐渐地，他发现写诗是表达他的欢乐和悲伤的最合适方式。在他还是个寂寞无闻的图书管理员时，他的诗《矛盾的空白》就获得了全国诗歌创作冠军，并为他赢得一位赞助人提供的奖学金，到莫斯科大学深造。获得文凭后，他将一生都投入到诗歌创作中。使用具体而灵活的语言和最少的词语数量是他的风格，他还喜欢尝试不同的诗歌形式，特别是童谣。下面由三部分组成的译文就是他的作品中的一首：

小麻雀，负重担，

小气球，脱绳系，

别紧张，小气球

筋疲力尽挡风寒，

飞越农舍真高兴，

别笑麻雀伤口留，

汗水成盐无指引,

阳光给予它温暖,

光光的树梢歇片刻,

能否穿越无边暗?

永远高飞不费力;

恒 (钻石)心终把成功求。

28.Let' s Help Adolescents

帮助青少年

Whether they are male or female, adolescents feel like deciding on everything themselves in spite of parents' instruction, especially when they face problems like sex, mental stress, etc., which make them feel ashamed and embarrassed. Thus they often automatically get into troubles due to their imperfect comprehension and judgement. Some are addicted to cigarettes, only several packets of which will hurt their lungs and make them breathless quickly. Others can' t quit drinking alcohol, whose harmful effects include causing young pregnant women to abort or give birth to abnormal babies. The worst is drug abuse, for the withdrawal is tough once their bodies are accustomed to the drugs. Meanwhile, those who share needles bought from illegal chemists are at great risk of being infected with desperate AIDS. If so, neither injecting nor taking pills can guarantee their survival.

However, don't be **disappointed** at or have **prejudice** against our children so easily. After all, being **awkward** is an **appendix** of youth. As long as we **strengthen** communication with them instead of only **banning** this or banning that, we will surely help them avoid anything **unfit**.

不论**男女**，**青少年**们都**喜欢不顾**家长的指导，自己对一切**作决定**，特别是当他们面对如**性**、**心理压力等等**一些使他们觉得**羞愧**和**尴尬的**问题时更是如此。因此，**由于**他们**理解力**和**判断力**的不足，他们常常会**无意识地陷入**困境中。有的**对香烟上瘾**，只要几**包**就会对他们的**肺**造成损害，使他们很容易就**气喘吁吁**；有的没法**戒除酒精**带来的不良**后果**，包括造成年轻的**怀孕**女性**流产**或生下**不正常的**婴儿；最糟糕的是**滥用**毒品，因为一旦他们的身体**对毒品习惯了**，要想**戒毒**就相当**困难**了。同时，那些共用从**非法药剂师**处购买的**注射器**的青少年冒着感染**令人绝望的**艾滋病的极大**风险**，一旦感染上，不管是**打针**还是吃**药**都没法保证他们的**生存**了。

然而，请不要轻易就对我们的孩子**失望**或抱有**偏见**，毕竟，**不成熟**是年轻的必然**附属品**。只要我们**加强**和他们的沟通，而不是仅仅**禁止**这样，不准那样，我们一定能帮助他们避开**不健康的**东西。

29.Refresh Our Environment 恢复环境生机

As the director stated on behalf of his researching group, the data of this graph makes a clear presentation of the future environmental tendency. On one hand, the quantity of fuel keeps on decreasing by 9% per year while the growth of a wide range of pollution has been a global trend. On the other hand, the mildly but steadily going up of the average temperature is resulting in catastrophes like widespread floods. Without disagreement, they subscribe to the view that it is humans' existence and their randomly consuming energy that result in this phenomenon.

Many people have a commitment that developing nuclear power or energy from outer space will stop bad consequences coming about. However, scientists and educators are opposed to this view even if our needs may be met on the whole. They tend to advocate refreshing our circumstances by saving energy and recycling waste. It is suggested that we use energy-saving appliances such as electrical motors, microwaves and so on and not be casual about little things like recycling a can. So please glance around and see what you can do. So long as everybody makes contribution, we will not have to put up with this problem anymore.

正如那位主任**代表**他的研究小组所**说明**的那样，这张**图表**的**数据**清楚地**描述**了未来**环境的趋势**：一方面，**燃料**的**数量**以**每年** 9%的速度**持续**减少，同时，大**范围污染**的**增长**已经成为一种全球**趋势**；另一反面，**平均**气温**轻微**却**稳定地升高**正在**造成**像**广泛的洪涝**那样的**灾难**。无**不同意**地，他们一致**赞成**是人类的**存在**和**任意的消耗**能源才造成了这一**现象**。

许多人都**信奉**开发**核能**和**外**太空能源会防止糟糕的**后果发生**的理论，然而，**即使**这样可以**基本上**满足我们的需要，科学家和**教育家**们仍然**反对**这一观点。他们更**倾向于拥护**用节省能源和回收废料的方法**恢复环境**生机，并建议我们要使用节省能源的**器具**，如**电力发动机**、**微波炉**等，还建议我们不要对如回收**罐子**这种小事**漫不经心**。因此，**看看**你身边是否有你能做的事，**只要**每个人都作出贡献，我们就不必再**忍受**这个问题的困扰了。

30.A Volcano Eruption 火山爆发

As the best **candidate**, I was **appointed** to collect and **evaluate** information for a **database** about **diverse** natural disasters, such as **hurricanes**, **typhoons** or **thunderstorms**. Sometimes I did this by giving out **questionnaires** to those who went through them. But sometimes I had to go through **actual** disasters myself. The Musaki **Volcano** was one of

them.

At that time, I lived in a bungalow alongside the volcano with a novelist, who came for the appreciation of its eruption. One day, when I was drawing diagrams on the balcony and he was bathing inside, the volcano erupted unexpectedly. The ash and lava fountains shooting highly in the sky varied from 50 to 100 meters in height. It was absolutely fantastic! I even noticed a rainbow appear in the fog caused by a heat wave.

But, glancing through our surroundings, I foresaw the potential danger and found no guarantee of our safety. The uncomfortable gas almost made us unconscious. Sweats of anxiety began to drop. Managing to stop panicking and trembling, we quickly put on our protective suits, helmets and boots and eventually made our way to a safe place. How lucky we were even though my precious equipment and documents were all burnt to the ground!

作为最好的候选人，我被委派为一个数据库收集和评估各种自然灾害的信息，例如飓风、台风或雷暴等。有时我通过向经历过这些灾害的人分发调查问卷来收

集信息，有时却得亲自经历**实际的**灾害。Musaki**火山**就是其中之一。

那时，我和一名来**欣赏火山爆发**的**小说家**同住**在火山边上**的一座**平房**里。有一天，当我正在**阳台**上画**图表**而他在屋里**洗澡**时，火山突然**爆发了**，**喷射**到天空中的**火山灰**和岩浆**喷泉从 50 米到 100 米不等**，这一情景**绝对地**奇异，我甚至还注意到一条**彩虹**出现在**热浪**造成的**雾**里。

然而，我向四周看了一下，马上预见到了**潜在的**危险，也发现了我们的安全毫无**保障**。**令人不舒服的**气体几乎使我们**失去知觉**，**忧虑的汗水**开始流淌下来。我们努力使自己不要**惊慌**和**颤抖**，迅速穿上保护**套装**、**头盔**和**靴子**，最后成功**前往**安全的地方。尽管我**珍贵的设备**和**文件**都**烧得精光**，但是我们真的非常幸运。

31.Defeat Disability 战胜残疾

Yang' s **ambition** was to get an **architect certificate** or become a **bowling** master. But when he was **conducting** experiments with a **microscope** in the **basement**, a **tank** on the **bench** exploded, sending him flying **outwards** through the **exit**. He was **out of breath** while knowing he lost his **eyesight as well as** 70% of his **hearing**. **In other words**, he was **disabled**. 阳的**雄心**是，要么获得一张**建筑师证书**，要么成为一名**保龄球**高手。但是在**地下室**里的**显微镜**下**进行**试验时，放在**长凳**上的一只**大桶**突然爆炸，把他

从出口处炸飞了出去。当知道自己除了失去 70%的听力之外，还失去了视力时，他完全喘不过气来。换句话说，他残疾了。

Feeling clumsy, he was annoyed at first though nobody made fun of him. He cut out going outdoors and just sat around at home talking to his parrot or tortoise silently. His sister resigned to help him in many ways. Her assistance and encouragement were so beneficial to his psychology that he adapted to his disability soon and became outgoing again. In a college accessible to him, he studied politics and literature. He always sat in the front row near the entry without any absence and, with the help of his handy laptop, he studied well by means of dictation. His thesis, Abolishing Slavery, met with all professors' approval. After class, he and his companions often played drum music, which was noisy but suitable for his hearing. After graduation, he made high profits by designing software for a firm. All in all, in his community, he won his dignity and people' s congratulations.

He always wished all the best to his disabled fellows and encouraged them, "Never mind! All you have is adequate to get your achievement."

最初，尽管没人**取笑**他，他还是非常**气恼**于自己的**笨拙**。他**取消**了外出，总是在家里**闲坐**，和他的**鹦鹉**和**乌龟**默默相对。他的姐姐**辞了职**，**用许多方式**帮助他。她的**帮助**和**鼓励**对他的**心理**是如此地**有益**，以致他很快就**适应**了自己的**残疾**，再次变得**外向**起来。他在一所**接受**他就读的学校里学习**政治**和**文学**，总是坐在靠近**入口**的**前排**，从不**缺席**。在他**轻便好用**的**手提电脑**的帮助下，他用**听写**的方式学习得很好。他的论文《**废除奴隶制**》**受到**所有教授的一致**认可**。课后，他和**伙伴们**还常常演奏**大声**却**适合**他听觉的**鼓乐**。**毕业后**，他通过设计**软件**为一家**公司**获得很高的**利润**。**总之**，在他的**社区**里，他赢得了自己的**尊严**和人们的**祝贺**。他一直都把**所有最好**祝愿给予他残疾的**同伴**，并鼓励他们：“**没关系**，你拥有的一切一定**足够**你取得自己的成就！”

32. Happy Marriage Needs Fighting For

幸福的婚姻需要争取

As a **talented** **navy** officer, he **was bound to** be busy. When his wife **rang** him **up** to **declare** her **divorce alarm**, he was still **scanning** a **digital counter** to check the data so as to give an **assessment** of the **theoretical framework** for a **biochemical** weapon. His **junior staff**'s **sympathy** made him feel embarrassed.

His wife was a **part-time clerk**. With his high **bonus**, she lived in a **grand** house with **elegant cushions** and **bedding**. Her **favour** was reading stars' **biographies** or **absurd fictions** with endless **chapters** in her **armchair**. People **envied** her leisure life very much. But in fact, she was tired of being **left alone**. She sent emails to his **mailbox** every week to **state** her **thinking** and ask for his **accompaniment**, but never received reply of **satisfaction**. Tired of his explanation that he must **obey** the orders, she filed for divorce.

Because he **desired** to get their **holy affection** back, he set other **affairs** aside. He trimmed his **fingernails** short and changed his **overweight** figure as well as his **awful haircut**. He wore an **apron** to prepare delicious **cuisine** for her. He also bought her a **necklace** and **piles** of flowers hoping that their **receiver** could **turn around**.

After being **tested out** for 3 months **in all**, he eventually succeeded.

作为一名**才华出众的**海军军官，他**注定**是要忙碌的。当他的妻子**打来电话宣布**和他**离婚**的**警告**时，他还在**查看**一台**数码计数器**核对数据，以对一种**生物化学**武器的**理论框架**做出**评估**。他的**下级职员**表现出的**同情**使他很尴尬。

他的妻子是一位**非全日性**工作的**职员**，有了他的高**津贴**，她住在一所装饰有**优雅垫子**和**寝具**的**富丽堂皇的**屋子里。她的**爱好**是坐在**扶手椅**上读读明星们的**传记**或一些有没完没了**章节**的**荒谬小说**。别人都很**妒忌**她安逸的生活，但是实际上，她厌透了被**独自丢下**。她每周都给他的**邮箱**发电子邮件**陈述**她的**想法**，要求他的**陪伴**，但却从未收到**满意**答复。受够了他总是必须**服从**命令的解释，她提出了离婚。

因为**渴望**重新获得这份**神圣的爱**，他把别的**事务**都放在一边。他剪短了**指甲**，改变了**超重的**身材和**糟糕的发型**，还穿上**围裙**为她做可口的**菜肴**，他甚至还给她买了**项链**和成**堆**的鲜花，希望它们的**接受者**能够**回心转意**。

在被**考验**了**总共**3个月后，他最终成功了。

33. Mark and a Seal

马克和海豹

Mark rented an **accommodation** with his **pension** near the **shore**. He paid **annual** visits there to enjoy the **vivid** beauty in the **depths** of the **pure** sea.

Once, with his underwater **telescope** and **flashlight**, Mark **dived** along the **boundary** between the **steep** reef and the area of **seaweed conservation**. Suddenly, an **awesome Antarctic seal** with **sharp** teeth appeared **opposite** him. Every cell in his body **was scared to death**. But soon, he was **aware** that he wasn't the **target** of an attack. With a **neat** wound in its **lip** caused by a **shark**, this **grey** seal was washed **upside down** by the **tides** time after time. But it tried to **jog** Mark as if to **urge** him to help it. So Mark **abandoned** **fleeing** away. With its **teamwork**, Mark used a **net** to **drag** the seal to the **shallow** water. Without **pausing** he **helped it out** after a simple operation and settled it in a **narrow** cave by the **seaside**. Every time he brought it **tasty** fish, it would **yell** and **suck** his hands happily. **Witnesses** said their **anecdotes** **reflected** a magic **dimension** of the **relationship** between humans and animals.

马克用他的**退休金**在**海岸**边租了一间**住所**，**每年**都去那儿欣赏**纯净的**大海**深处**那**生动的**美丽。

有一次，马克带着他的水下**望远镜**和**手电筒**，**潜到****陡峭的**暗礁和**海草保护区**间的**分界线**。突然，一只长着**尖利**牙齿、**使人畏惧的南极海豹**出现在他**对面**。马克**吓坏了**，但是很快，他就**意识到**，他不是攻击的**目标**。这只**灰色**海豹的**唇**上有

道鲨鱼咬出的整齐伤口，还时不时地被潮水冲得头上脚下。尽管如此，它却总是努力轻轻碰撞马克，似乎在催促他帮助它。于是马克放弃了逃跑。在这只海豹的合作下，马克用一张网把它拖到浅水区，并毫不停歇给它动了一个简单的手术，帮助它解决了问题，然后将它安置在海边一个狭窄的洞里。每次当马克给它带来鲜美可口的鱼时，它就会高兴地大声叫唤，还吮吸他的手。目击者都说他们的轶事映射出人与动物关系中奇妙的一个方面。

34.Helping the Remote Village 援助山村

A year ago, the famous astronaut received an invitation by airmail from a remote village. Intending to sniff some fresh air, he and his interpreter paid a fortnight visit there. It was a privilege for them to be there, but they were shocked by what they saw. The tracks were muddy. The river was drying up. Most villagers only possessed one broom, a few tins and several jars and their rectangular grass huts with round angles were surrounded by weeds. Besides, their school had no roof and platform, and the students had no concept of clicking a computer at all. They were badly in need.

Soon, the astronaut made a generous voluntary donation to the

village. There were **textbooks** for students, **sewing machines** for **tailors** and **tractors** for farmers. His **distribution catalogue** also included **operating** a **clinic** and a **trunk** library, as well as giving **weekly** lessons to teach **relevant** farming knowledge like how to **dry out seeds** or raise **oxen**. He himself not only helped do some **paperwork** but also **purchased grills** for boys to **toast** potatoes and **combs** for girls who **were dying to** get one. **The other day**, he heard from the villagers again inviting him to **participate in** the donation **anniversary**. For **political** and **security** reasons, he couldn't **adjust** his outgoing **arrangement-otherwise** he would go. But his deeds were remembered forever.

一年前，那位著名的**宇航员**收到一份由一个**偏远**村庄通过**航空邮件**寄来的邀请。因为想要**呼吸**一下新鲜空气，他和**翻译**到那儿做了一次**两周**的访问。当地之行使他们倍感**荣幸**，但却震惊于所见所闻。**泥泞的**道路、河流**干枯**，大部分的村民拥有的财产只不过是一只**扫帚**、几个瓶**瓶罐**罐而已，圆**角**的**矩形**草屋四周长满了**杂草**，学校也没有**屋顶**和**讲台**，学生们更对**点击**操作电脑毫无**概念**。他们生活确实相当**困难**。

很快，宇航员就向村庄做了慷慨的**自愿捐赠**。捐赠品中有给学生的**课本**，给**裁缝的缝纫机**，还有给农民的**拖拉机**。捐赠金的**分配目录**中还包括一间**诊所**和一

间书箱图书馆的**运作**，并有传授像怎么**使种子干透**，或者怎么养**牛**这种**相关**农业知识的**每周**课程。他自己不仅亲自帮助做一些**文书工作**，还给男孩子们**购买**了烤马铃薯的**烤架**、给**渴望**得到**梳子**的女孩子们买了梳子。**前几天**，他又收到了村民们邀请他**参加**捐赠**周年**会的来信。出于**政治**和**安全**原因，他无法**调整**外出时间**安排**，**否则**他就会去了。不过他所做的一切村民们都永远记得。

35.Study in America 留学美国

Nannan' s father runs an **enterprise** near the Ming **Tombs** selling **batteries** and **drills** to the Daqing **Oilfield**. Hoping to get the **qualification** to help **govern** it, Nannan made much **preparation** and then left her **motherland** with her **visa** to study in America. Having reached her **destination**, she **settled in** an **inn** **recommended** by the **travel agent**.

As far as Nannan **was concerned**, she always **kept it up** in China. But she had to **acknowledge** it was not easy to **adjust** herself **to** the new **academic requirements**, which were not **parallel** with China' s. Though she **was occupied with** **lectures** and **seminars** **day in and day out**, the **essays** she **drafted** were still **contradicted** by her **tutors**. As for her **routine** life, she felt that it was hard to **fit in**, too. For example, she found

English **idioms** difficult to understand. And it was **out of the question** to eat delicious Chinese foods though many **optional cafeterias** served **abundant substitutes**. In addition, she had to wait in a **queue** early for the **minibus** that took her to school and it was usually so cold that she felt **numb**. What bothered her most was that she received no **apology** when her sleeping was disturbed by a **barking** dog in a **shopkeeper's cage**.

Luckily, with her parents **comforting** her by **videophone**, she became **autonomous** soon and eventually got her **bachelor's degree** successfully.

楠楠的父亲在明**陵**附近经营一家**企业**，销售**电池**和**钻机**到大庆**油田**。抱着获得相应**资格**帮助**管理**的希望，楠楠做了大量**准备**，然后带着**签证**离开**祖国**去美国留学。抵达**目的地**后，她在一间**旅行代理推荐**的**旅馆**安顿下来。

就楠楠而言，她在国内一直**保持着良好的状态**，但是在国外，她却不得不**承认**，要**适应新学院的要求**不容易，它们和国内的要求不**相同**。尽管她**整天都忙着**听**讲座**、参加**研讨会**努力学习，她**起草的论文**还是被**导师驳**了回来。至于**日常生活**，她也感觉难于**适应**，例如，她发觉英语**成语**很难理解，而且**不可能**吃到地道的中国食品，尽管**可选的**许多**餐馆**都有提供**丰富的替代品**。此外，她还得冒着把人冻得**麻木的**寒冷早起排**队**等**小型巴士**去学校。最使她烦恼的是，一名**店主笼子**

里的狗的吠叫闹得她睡不好觉，但却没有任何人向她道歉。

幸运的是，在她父母通过可视电话的安慰下，她很快就锻炼得独立自主起来，并最终成功获得了学士学位。

36.Immigrate to America 移民美国

Attracted by the boom in America, my nephew teamed up with a Korean to illegally cross the Bearing Strait in the Arctic to America. To avoid the Customs' punishment, they hid in a small ferry called the North Pole Seagull, sitting back to back without sleeping, showering and shaving for 3 days, and had no chance to mourn their lost luggage when landing. The hardship of this crossing was apparent.

At first, he made a living by means of raising cattle and then was hired in aircraft industries. He lived in a Catholic district. Taking in a small percentage of Pakistani immigrants, the majority of the residents were from Italy and Denmark, who all kept up their customs and cultures. Different blocks here were distinctly marked out and indicated from the racial angle. It was unfair and needed reforming. But with nowhere else to go, my nephew lived on and managed to make a life for himself.

My nephew's fortune came when he bravely helped a **conductor** **brake a ream** to stop it from **slipping** out of the **rails**. The man was **elected** **vice** chairman of the **Socialist** Party later. It **occurred** to my nephew that he could **grasp** this opportunity to ask for his help. The man who was **thankful** helped him **apply** to the **civil authority** for the right to live in America by **inserting** his brave deed into his documents. Unlike **a great many** other **applicants**, his application was approved by the **Federal Justice Ministry**. Before long, he started his own **bakery** and lived a better life.

因为受到美国**繁荣**的吸引，我的**侄子**与一名**韩国人合作**，从**北极**的白令**海峡**偷渡到美国。为了避开**海关**的**惩处**，他们躲在一艘叫“**北极海鸥**”的**渡轮**里，**背靠背**坐着，整整 3 天没有睡觉、洗澡和**刮胡子**，上岸的时候也没有机会**心痛**他们丢失的行李，这次**横渡**的**艰辛**是**显而易见的**。

起初，他**借助**饲养**牲畜**谋生，后来受**雇**于**飞机**制造业。他住的地方是一个**天主教**区，除了**包括**一小部分（**百分比**）的**巴基斯坦**移民，**大部分**的居民都来自于**意大利**和**丹麦**，他们都**保持**着自己的风俗和文化，使这里的街区都从**种族的角度****清楚地划出界线**，明确**标示**。这很不公平，极需**改革**，但我的侄子没别的地方可去，只好**继续居住下去**，想法设法**开始新的生活**。

我侄子的好运在他勇敢地帮助一名列车员刹停一列电车以防止其滑出轨道时到来了。那个人后来被选为社会党的副主席，我侄子就想到应该抓住机会请求他的帮助。这个人充满感激，立即把我侄子的勇敢事迹插入到申请文件中，帮助我侄子向美国国内政权当局申请美国居住权。不像别的许多申请人，我侄子的申请很快被联邦司法部批准了。不久，他就开了自己的面包店，过上了稍好一点的生活。

37.Be Careful about Cloning

谨慎对待克隆

After a series of initial experiments and corrections, the scientist's hard work paid off when the twin clone turkeys were hatched with normal feather and claws. This breakthrough possibly enabled people to bring their adored pets back to life. However, it bothered him from time to time that their health was in poor condition because they were unable to resist illnesses. This drawback cast him down. Merely 2 weeks later, the clones and their carrier died, which struck frustration into his heart. He retired before he attained his ambition and became a member of an opera chorus to relieve his depression.

Shortly afterwards, the **media** published a **conservative** argument **objecting to** cloning **owing to moral** problems, and suggested the **constitution** include **compulsory regulations** to **forbid obtaining commercial** profits from cloning.

When interviewed, the scientist stared at the **decorations** on the ceiling, thinking for a while, and then said, "I'm not **in favour of** any **arbitrary assumption**, but **undertaking** cloning does **differ from** the **straightforward procedure** of making **loafs** out of **flour**. Until we **accumulate** enough **exact** knowledge, any practice is **in vain** and is bound to fail. **Altogether**, being more careful is **reasonable** or we may walk into a **side road**."

在**最初**一系列的实验和**修正**之后，科学家的辛苦工作终于**取得了成功**，一对**双生的**克隆**火鸡孵化**出来，**羽毛**和**爪子**都很正常。这一**突破**或许能让人们使他们的**喜爱的**宠物死而复生。然而，使他**不时地烦恼**的是，因为它们**无法抵抗**疾病，使得它们的**健康状况极差**。这个**缺点让**他很**沮丧**。**仅仅**过了 2 个星期，克隆体和**母体**都死亡了，这使他**内心里充满了**挫折，他也因此在**达到**自己目标前就**退休**了，并选择加入**歌剧合唱团**来减轻消沉的感觉。

之后不久，媒体就因为道德问题而发表了反对克隆的保守论点，并且建议宪法应该包括强制性的法规禁止通过克隆获得商业利益。

当被采访时，科学家盯着天花板上的装饰物思考了一会儿，说：“我不赞成任何任意的假设，但是从事克隆与用面粉制作面包的简单过程确实不大相同。在我们积累了足够的准确知识前，任何实际操作都是徒劳无功的，注定会失败。总而言之，更加谨慎地对待克隆是合理的，否则我们或许会误入歧途。”

38.Strange Patent Applications 奇怪的专利申请

I set about working in the current Patent Office after resigning from the court personnel. Competent and dynamic, I never feel passive while diving into the identifications of whether applications are valid and practical according to the new version of the criteria. 从法院人事部辞职后，我开始在现在的专利局工作。我工作起来既称职又有活力，在投身于根据新版的申请标准鉴定专利申请，以防他们无效或不实用时，我从未感觉到消极没劲。

With the expectation of distinguish their own importance, some people leave the beaten track and file strange products with us now and then, for example, lantern that can be attached on your forehead, cubic walnuts, refrigerator made of straw and glue, perfume that nobody can

bear to smell, and so on. 为了显示与众不同, 时不时就有人违反常规, 向我们提交一些奇怪的产品申请, 例如固定在前额的信号灯、立方体的胡桃、用稻草和胶水制作的冰箱、没人能受得了的香水等

Once, a man made a triangle helicopter out of stainless wires and string. He called us up and merrily claimed it was stable and convenient to use, and never out of order. I asked him to hang on, but this innocent man just rang off and set out to fly from his courtyard. I dialed his number in the directory trying to ring him back, but never got through. 有一次, 有个人用不锈钢丝和绳子制作了一架三角形的直升飞机。他致电给我们, 高兴地声称其确实牢固, 而且方便使用, 从不发生故障。我请他稍等, 但这个天真的人挂了电话就开始从院子里起飞。我拨打他在电话簿上的号码试图回电给他, 却无法接通。

Merciful God blessing, an abrupt freezing rainfall made his powder wet. Luckily, the trouble was without any extension except that he crashed into a greengrocer' s making all the ripe fruits become messyjam. When people seized this crazy man with caution and sobered him by tapping his face, he complained about the bad weather instead of associating his failure with his unscientific design.

仁慈的上帝保佑，一场突然降临的冻雨打湿了他的火药，使他造成的麻烦没有扩大，只是撞入一间水果店，把所有成熟的水果都压成一塌糊涂的果酱。当人们小心地抓住这个失去理智的人，轻轻拍打他的脸使他清醒过来时，他还在抱怨糟糕的坏天气，却没有将他的失败与他不科学的设计联系起来。

39. Pronunciation and Status

口音与身份

An ambassador and a referee were consulting a professor on the caption of a Buddhistic alphabet when a sobbing woman stopped them to sell an antique musical bathtub. Her dirty garment and the handkerchief around her waist were badly in need of sending to a laundry. The ambassador uncomfortably gave her a handful of pence from his wallet and said, "Take this fortune away, troublesome woman."

When her figure faded away, the brilliant professor said, "You are mistaken and your improper remark on her should be condemned. In terms of this extraordinary woman, you can't classify her status by her horrible clothes or disgusting nails. Her clean woolen vest and stockings, especially her classic pronunciation, all suggested her upper status." The

ambassador gave a **whistle in amazement**, and advised **making** her **acquaintance**. The professor **hesitated** for a while, then **compromised**.

The **outcome** was that she was an **authentic superior** police officer. When they were **shown in** her office and saw her **once more**, she brought them a **teapot** of tea and some **cookies**, laughing and saying, "I rubbed some **cream** and **wax** on my garment and **passed myself off as** a **shabby** woman among **thieves** and **robbers** to investigate a **plot**. **Generally speaking**, your **overlooking** me and my **adaptation** are the best help. But my pronunciation seemed to have **betrayed** me."

一位**大使**和一位**裁判**正在就一张**佛教符号表**的**文字说明**请教**教授**，这时，一名**哭哭啼啼的**女人把他们拦住，要卖给他们一个**古董音乐澡盆**，她肮脏的**衣服**和**腰间**的手帕都急需送到**洗衣店**清洗。大使很**不舒服地**从**钱包**里掏出一**把**便士说：“把这**大笔钱**拿走，**麻烦的**女人！”

等她的身影**渐渐远去**，那位**才华横溢的**教授说：“你**错了**，你对她不**适当的评**论应该受到**谴责**。就这个**不同寻常的**女人来说，你不能根据她**糟糕的**衣服或**令人恶心的指甲**给她的身份**地位分类**。她干净的**羊毛背心**和**袜子**，尤其是她**一流的**发音，都暗示着她的**上层**身份。”大使**惊奇地**吹了声**口哨**，建议去**认识**她。教授**犹**

豫了一会儿，最后妥协了。

结果呢，她真的是一位高级警官。当他们被带进她的办公室再次见到她时，她给他们拿来一壶茶和一些饼干，笑着说：“我把奶油和蜡涂在大衣上假扮成寒酸肮脏的女人混进在小偷和抢劫犯中间，是为了调查一宗阴谋。通常说来，你们对我的忽视和我对此的适应就是最好的帮助。但是我的发音似乎暴露了我啊。”

40. A Sly Murder

一宗狡猾的谋杀案

When giving a lecture about the significance of punctuation, the academic professor was interrupted and arrested by the police for murdering his wife, a receptionist of a kindergarten. The police found some photos he deleted from their e-album showing that they used to have a gay life. But, fed up with her wrinkled face, he murdered her instead of divorcing her to avoid fortune division. He cut up a kind of seashell with a sharpened knife, and hammered it into powder on a skateboard, and made at most one gram, which was enough to accelerate one's pulse until he or she dies. This kind of poison can date back to 10,000 BC when people rubbed it on spears to kill beasts. The

professor mixed the poison with onion, watermelon and yogurt for his wife. Howling and scratching her chest, she felt dizzy and died soon. 那位学院的教授在发表关于标点符号重要意义的演讲时被警察打断了，他因谋杀自己的妻子——一位幼儿园的接待员——而被逮捕。警察找到了一些被他从电子相册里删除的照片，照片表明，他们曾经有过快乐的生活，但是，因为厌烦了妻子起皱的脸，他杀死她而不是和她离婚以避免离婚时的财产分割。他用一把磨利的小刀切碎一种贝壳，然后在滑板上锤打成粉末，最多 1 克就足以加速人的脉搏直到其死亡。这种毒药可以追溯到公元前 10, 000 年，当时它就被涂抹在长矛上杀死野兽。教授把这种毒药混合在洋葱、西瓜和酸奶里给他的妻子，后者叫喊、抓挠胸口、头晕目眩，很快就死了。

After tentative examination, the police assumed she died of heart disease. But systematic botanical analyses showed that the watermelon spit on the messy mat and the quilt was poisonous. Regardless of exhaustion and starvation, the acute and skilful policemen used radioactive equipment to make sure the category of the poison. Primitive and not ample as their alternative equipment was, they got perfect accuracy somehow. 在初步检查之后，警察设想她是死于心脏病。但是系统的植物学分析却表明，吐在凌乱的席子和被子上的西瓜有毒。敏锐而又技术娴熟的警察不顾疲劳和饥饿，用放射性的设备确定了毒素的种类。尽管可供选

择的设备原始，且数量不足，他们还是设法取得了完美的准确度。

People applauded the police and the woman' s family can look ahead with relief now.人们都为警察欢呼鼓掌，而那位女人的家人现在也可以带着欣慰为将来打算了。

1. Fall in Love with English 爱上英语

Hiding behind the loose dusty curtain, a teenager packed up his overcoat into the suitcase. He planned to leave home at dusk though there was thunder and lightning outdoors. He had got to do this because he was tired of his parents' nagging about his English study and did not want to go through it any longer. He couldn' t get along well with English and disliked joining in English classes because he thought his teacher ignored him on purpose. As a result, his score in each exam never added up to over 60.

His partner was concerned about him very much. She understood exactly what he was suffering from, but entirely disagreed with his idea. In order to calm him down and settle his problem, she talked with him face to face and swapped a series of learning tips with him. The items
